My Author Note

Hi, guys!

Today I'm writing a love story called A Love Story.

Well, I'm shipping Ashfur and Scourge, too. Because they're my favorite characters, too.

Heck, I wanna write a story, too. I want to make an ideas how Ashpaw meets Scourge.

It was a story when Firestar and his friends were ready to defeat BloodClan, but Ashfur wants to be with Scourge.

I don't care I'm writing a gay story. I love to ship it. Plus, I'm bisexual. I love boys and girls, but I'd rather be single. I don't know what if I'm gay or not, my parents and my 18 sister isn't gonna like it, but my sister knew. She knew I'm bisexual. I told the truth when we went to the forest. My parents doesn't know that I'm bisexual. I tried to tell mom about me being in love with boys and girls, but she's drunk, being happy. Mom told me I didn't know, but id ready know. Stupid bitch.

Dumb bastards!

If you want to call me faggot, then why don't you guys go to hell?

Just kidding! Lol!

I'm just joking with you. I called myself faggot and my sister calls me a faggot sometimes. She doesn't mean to, I love her as hell.

Anyways, I'm gonna write a best homosexual story about Scourge and Ashfur were together and I don't care if you don't like it or not.

First of all, I am The biggest fan of Gorecatqueen. She had canceled this comic and I knew this is happening, so I'm gonna write that. I'm

sure I need to understand.

Everyone of all warrior cats fan loves the fanfiction stories.

Today I am ready as I'll ever be.

Peace!

Ashfur and Scourge belongs to Erin Hunter.

Chapter 1: Ashpaw meets Scourge

[image]

This is a story of the young pale gray tom, his name is Ashpaw, the appretice of ThunderClan. He was the bravest appretice at them all.

He went on a hunt to catch a squirrel. He ran as fast as he can. Ashpaw almost reach the sqiurrel, then it's too late. He looked up at the sqiurrel, climbing up top the tree.

"Oh, man!" Ashpaw wailed, staring at the squirrel.

The squirrel gave him a dirty look, Ashpaw groaned. His sister Fernpaw just giggling at him.

"Oh, Ashpaw," meowed Fernpaw, still giggling. "Give it up, already! You won't be able to catch it now."

Ashpaw scowled, walking away from her. "Who asked you, Fernpaw?" he asked, giving her a mean look, he was staring at the squirrel waiting to come down.

Something it popped in his mind. "Where did Whitestorm go to?" he asked.

"Well, Whitestorm said to tell you that he was looking for rabbits," Fernpaw told him, looking around.

They froze themself, they heard a noise from the bushes. They turned around and saw the strange cat.

"Who's there?" Fernpaw asked nervously.

The strange cat came out of the bush, it was the huge tabby tom.

"Bramblepaw?" They blinked their eyes.

"Hi, guys!" Bramblepaw meowed, carrying the dead bird.

"Bramblepaw!" Fernpaw hissed. "You mouse-brain! You scared us!"

He laughed, he was putting the prey down. "Sorry, guys," he replied. "I was going after this crow. I didn't mean to scare you."

"Yeah, sure!" Fernpaw rolled her eyes.

Ashpaw started to laugh. "It was funny, though," he replied, winking at him.

Fernpaw sighed, rolling her eyes again. "Toms..." she murmured.

"Come on, guys!" Brambleclaw ordered, grab the prey and carrying it around. "Let's go back to ThunderClan. I'm sure Whitestorm was waiting for us."

They nodded.

Ashpaw stopped. He heard a noise from the bushes again. He started to freak out when he bristle his fur, his whole body.

There was a rabbit came out of the bush.

Ashpaw gasped with an excitement face. *Rabbit!* He started to catch it. The rabbit kept hopping in the trail. Then it got away.

Ashpaw was panting. He gleamed his eyes. He was looking around, thinking that he's lost.

Uh-oh.... Ashpaw blinked his eyes, he was feeling nervous to be alone. *I think I'm lost. Where am I?*

"Hi there," the unfamiliar voice meowed coldly.

Ashpaw gasped, turning around and see someone was talking to him.

"Who's there?" Ashpaw asked nervously.

He saw the strange small black tom coming out of the bush. Ashpaw blinked his eyes. He stared at his cold gaze. His one paw is white.

"Who..... who are you?" Ashpaw asked, stepping away from the small black tom.

"I'm Scourge," he told him, giving him a cold gaze. "You're trespassing in BloodClan territory."

"BloodClan?" Ashpaw was confused, he was feeling nervous if Scourge will rip his fur out.

"Yes, you never heard of BloodClan?" The small black tom snapped, asking him a question.

He shook his head, he was blushing as he was feeling nervous, still. "No, sir," he mewed. "I've never heard of it....."

"Well, next time if you ever cross our territory, you'll get rib out of your fur, got it?" Scourge was staring into his gaze, Ashpaw stepped back away from him.

He began to say something to him. "I'm sorry, sir," he apologized, giving him a nervous face, Scourge knew he was being cute when he does that. "I'm sorry I crossed over your board."

"Board?" Scourge was confused. "We don't live in the forest. We lived in the Twolegplace."

"Wait, what?" Ashpaw gleamed. "You lived in the Twolegplace? Are you a kittypet?"

Scourge started to growled at him, using his bare teeth. "I'm not a kittypet!" he snarled. "Stop calling me a kittypet, forest cat!"

Ashpaw had never seen him so angry before. He tried to step back, but he doesn't want to. He'd rather stay and talk to him. "Umm... My name's Ashpaw," he replied. "I'm a ThunderClan apprentice. I'm learning how to become a warrior."

Scourge was still confused.

"I'm sure you don't about the warrior code," Ashpaw meowed.

"What's the warrior code?" Scourge asked.

Ashpaw was blushing, looking away from him. "I don't know if I ever talk to you as a stranger," he murmured, he started to walk away from him. "I.... I gonna go." Then he started to walk away from him.

"Wait!" Scourge grabbed his tail, Ashpaw gasped when he fell down. "Tell me anything! Please!" Ashpaw knew he was begging him, asking him what's the warrior code.

Ashpaw was blushing again, he felt embarrassed when he was dragging him around. Scourge let go of his tail. "Okay," he meowed embarrassed. "The warrior code is as follows: Defend your Clan, even with your life. You may have friendships with cats from other Clans, but your loyalty must remain to your Clan, as one day you may meet them in battle. Do not hunt or trespass on another Clan's territory."

Scourge's icy blue eyes were wide. "Really?" he asked.

Ashpaw nodded, giving him a smile. "Of course," he replied. "That's what we can do, Scourge. Defend your Clan, even with your life. You may have friendships with cats from other Clans, but your loyalty must remain to your Clan, as one day you may meet them in battle. Do not hunt or trespass on another Clan's territory.
Elders, queens, and kits must be fed
before apprentices and warriors. Unless they have permission, apprentices may not eat until they have hunted to feed the elders. If any warrior or apprentice is sick or injured, they may eat while the elders, queens, and kits are eating. Prey is killed only to be eaten. Give thanks to StarClan for its life. A kit must be at least six moons old to become an apprentice. Newly appointed warriors will keep a silent vigil for one night after receiving their warrior name. A cat cannot be made deputy without having mentored at least one apprentice. The deputy will become Clan leaderwhen the leader dies, retires or is exiled. After the death or retirement of the deputy, the new deputy must be chosen before moonhigh. A Gathering of all four Clans is held at the full moon during a truce that lasts for the night. There shall be no fighting among Clans at this time. Boundaries must be checked and markeddaily. Challenge all trespassing cats. No warrior can neglect a kit in pain or danger, even if the kit is from a different Clan. The word of the Clan leader

is the warrior code. An honorable warrior does not need to kill other cats to win their battles, unless they are outside the warrior code or if it is necessary for self-defense. A warrior rejects the soft life of a kittypet. Each Clan has the right to be proud and independent, but in times of trouble they must forget their boundaries and fight side by side to protect the four. Each Clan must help the others so that no Clan will fall."

Scourge was sitting there and listen what Ashpaw waa saying. "Interesting," he murmured. "You had a mentor to teach you how to become a warrior, right?"

Ashpaw nodded. "Yeah, that's right," he smiled. "Dustpelt was my mentor. He taught me a lots of skills."

Scourge gave him a smirk. "I see," he meowed. "I like that rules." He stood up, starting to walk away from him. "I'm gonna go back to my Clan. I'll see you around, okay?"

Ashpaw nodded. His cheeks were red, he was staring at him, watching him walking away for a few seconds.

He gleamed his eyes, shaking his head. *What just happened?* he asked himself. *Am I having a crush on him? No! No way! You do not like this cat! I must go back to ThunderClan!*

Chapter 2: I've turned into someone else

[image] [image]

Ashpaw went back to ThunderClan border, he knew all of his friends were worrying about him.

He knew his sister Fernpaw was worried, too. "Hey, Ashpaw!" she called, worrying too much. "Where have you been? We were worried about you!"

Ashpaw didn't say a word, he tried to speak out. "Umm..... I went to get some prey," he lied, he was looking around. "So then I missed it again."

"But Ashpaw," Fernpaw meowed, stepping close to him. "Aren't you suppose to ask Dustpelt leaving without his permission?"

Ashpaw shook his head. "Well, not really," he replied. "I went on hunting by myself, that's all. And don't ask me a question."

Fernpaw let out a long sigh. "Okay, I'll stop ask you," she murmured.

Ashpaw took a breath. *That was close,* he thought. He saw Bramblepaw was calling their names, he knew what he was doing.

"Hey, guys!" Bramblepaw called, running toward at them. He stopped running as he was panting. "Why are you two all the way out here?" he asked, panting. "We need to practice more!"

Fernpaw and Ashpaw nodded their heads. "We're coming!" They said, then they went back to their Clan.

XXX

Ashpaw can't stop thinking of Scourge, the leader of BloodClan. He can hear them talking about something, he ignored them as they

were still talking so loud.

He was still thinking of the small black tom, he wanted to meet him again, but he's not supposed to break the warrior code. He doesn't care. He has a thought of Scourge, thinking of him. He has a daydream of kissing him.

He has really pretty eyes... Ashpaw was talking to himself, thinking of his daydreaming. *I should meet him again.*

"Ashpaw?" Fernpaw poked his head. "Ashpaw!" She poked him again, giving him attention.

He turned his head at his sister. "What is it?" he asked.

"Nothing," she replied. "What's wrong with you?"

He looked away. "It's nothing," he murmured. He started to walk away from her, he can't stop thinking of Scourge.

I think I've turned into someone else, Ashpaw thought, his eyes were gleaming. *I think I had a crush on Scourge! What's wrong with me? Am I gonna meet Scourge again?* Then he began to go find Scourge.

Finally, the small black tom coming out of the bushes, he knew he can find him.

"Hello, Ashpaw," Scourge smirked at him. "That looks like I found you."

He was blushing, he started to speak to him. "Umm.... Scourge," he

mewed. "I need to tell you something."

He sat beside him. "What is it?" he asked, giving him a smirk.

"I started to like you as a friend." Ashpaw asked, he was still blushing. He tried not to look away from his face, he started to ask him a question. "I need to ask you something. Do you ever like me?"

Scourge's P.O.V.

Poor Ashpaw.....

He looks nervous. I like it when he does that. He's so cute, anyway. I started to like him, too.

I had a crush on him, and he looks very cute. One day he will be mine.

I started to talk to him.

Author's P.O.V.

"Yes, I like you, Ashpaw," he gave him a smile.

"Really?" His dark blue eyes were wider.

He nodded. He stared at him for a few seconds, Ashpaw was, too. Ashpaw was blushing as he was staring at his gaze.

"Umm... Do you want to come with me sometimes?" Scourge asked nicly.

Ashpaw nodded, smiling at him. "Sure!" he squeaked.

Then Scourge taking him to a speical place. Ashpaw knew he has a crush on him, too. They all knew it was happening.

They went to the field. Ashpaw had never went to the place before, he was looking around.

Wow, he thought, his eyes were wider. *I've never seen this place before. I t has soft grass and all the trees. It was.... amazing!* He saw Scourge was layimg on a grass. He was blushing, he knew what he

was doing.

"Sc.... Scourge?" Ashpaw meowed nervously, stepping back.

"It's okay," he promised, he was padding the soft green grass. "Relax with me."

Ashpaw gulped. He lied beside him, he started to giggled when he started to rolling around. Their faces were red, that's because they were having fun together. "I guess you were right!" Ashpaw meowed, still rolling around. "I can relax with you!"

Scourge started to giggled. He was laying on the soft grass against his belly. He watched Ashpaw when he was rolling. "Well, are you having fun?" he asked, smiling at him.

He nodded, being too exciting. He was looking above. "Yeah," he replied. "I've never had spent time with you before. It was fun."

"Well, you're with me, now," Scourge told me.

Ashpaw was blushing, he was smiling at him. "Umm... I really like you," he murmured, blushing as he was being nervous. "You're so nice to meet...."

Scourge rolled around. "I like you, too, Ashpaw," he smirked at him, he was taking off his collar.

"What are you doing?" Ashpaw asked, looking at his purple collar.

"You wanna wear it?" he asked.

He nodded. Ashpaw put it on and he feel like he was a kittypet. He was staring at Scourge's collar as he was touching it. "Cool!" he amazed, he was standing and pretending to be Scourge.

"Umm... can I have it back?" Scourge asked, handing over his collar.

Ashpaw nodded, he took it off then he gave it to Scourge.

"Well, I'm gonna go back to BloodClan," said Scourge, giving him a smile. "I hope we can see each other tomorrow, okay?"

Ashpaw nodded. "Of course we can!" he exclaimed. "I really want to see you again tomorrow."

"All right," he murmured, he suddenly gave him a kiss on his cheek. Ashpaw's eyes were wide with a surprise face. "Bye!" Then he went back to BloodClan.

Ashpaw waved at him. He went back to ThunderClan. There is something wrong with ThunderClan. Something will happen.

Chapter 3: Ashpaw saves Scourge

[image]

About a quarter-moon ago, a horrible traitor named Tigerstar brought Scourge and his Clan to the forest. They killed him shortly after. All four Clans are now threatened by these rouges, especially their leader Scourge.

Firestar, the leader of ThunderClan, stepped forward at Scourge, ordering them to attack. All the warriors were fighting with BloodClan warriors. Ashpaw knew it was wrong. He went to find Scourge. He saw Firestar's body. He had lost his first life. He came back to life, then he was ready to kill Scourge.

Oh no! Ashpaw blinked his eyes. *He's going to kill Scourge!* He started to running around as he was stopping Firestar from hurting him.

He suddenly stopped. *Wait.... what I am saying?* he thought. *I'm a loyal ThunderClan cat. I can't defeat such a monster!*

He heard a screech of Scourge, he gasped with horror. Firestar killing him, he started to stop him from hurting him.

"Stop this!" Ashpaw begged, clawing his face.

Firestar blinked his eyes. "Ashpaw?" he blinked his green eyes. "Wha.... what are you doing?"

"To stopping you!" Ashpaw snapped, he was protecting him from him. "Before you're making yourself mistake!"

"Ashpaw.... that's not right!" Firestar meowed. "He's evil! He killed Tigerstar, remember?"

Ashpaw hissed at him. "And you're going to kill him?" he asked him. "I won't let you kill him. I'm saving him from you!"

Scourge knew Ashpaw had saved him from Firestar. He was standing up weakly, he started to call out his clan. "BloodClan, retreat!" he cried, all the clan cats were stop fighting, then they all running away.

Ashpaw turned around. He saw Scourge was running away from him. He started to followering him. "Scourge, wait!" he begged, he was stopping him for leaving him before.

Scourge gave him a sad look. "I'm sorry, Ashpaw," he wailed, he was taking a deep breath. "We had to go back to Twolegplace. You and your friends will live on. I'm sorry that we were planning to take over your territory. I guess..... this is good-bye."

Ashpaw started to cry. "Scourge, no!" he wailed, sobbing in front of them. "Please, don't go! I want to be with you!"

"You can't," Scourge murmured sadly. "You belong to ThunderClan, and I belong to BloodClan. I..... I love you, Ashpaw." He pressed his lips against his, they were kissing as their tears streaming down their eyes. They stopped kissing, then Scourge and his Clan went back to Twolegplace.

Ashpaw sobbed. He went back to ThunderClan.

Sorry with that short chapter. Ib e made a sad chapter and it's not the end. I still wanna write this story. This time Ashfur will meet Scourge again.

Chapter 4: Few moons later

[image]

Few moons later

It's been a long time ago since Scourge and his Clan had retreat, they all won in the battle, but Ashpaw missed Scourge so much.

So then on, Ashpaw becomes Ashfur as a warrior. He and the followers were in danger since the Twolegs had destroyed their old territory. They started to find a new forest, then they finally find the big lake. Ashfur had met the most beautiful she-cat named Squirrelflight, the dark ginger she-cat. They used to be together, but she can't be with Asfur, that means she not in love with him anymore. She already fall in love with Brambleclaw. Ashfur thought Brambleclaw was his friend, but they were no longer friends anymore.

Ashfur found out that Squirrelflight has three kits named Lionblaze, Hollyleaf, and Jayfeather, but they're not their kits. He's been mentor with Lionblaze, teaching him how to become a warrior. They've been fighting each other since he tried him away how to become a warrior.

After Lionblaze his sister Hollyleaf became a warrior, the forest was on fire and Ashfur stopped Squirrelflight for running away. She been told him about them that they weren't her real kits. Then he let Squirrelflight the three cats go.

Hollyleaf gets angry when she was planning to kill him. She was followering Ashfur as she was hiding in the bushes.

Ashfur was sitting in the riverbank and thinking of his past, thinking of Scourge. "Oh, Scourge...." He looked above, his tears streaming down his face. "I'm sorry, I wish I can see you again."

Hollyleaf was confused. *What is he talking about?* She asked, her green eyes were narrowing. *And who is Scourge?* She started to come

out of the bush then she pinned him down.

Ashfur gasped with horrified. "Wha... what are you doing, Hollyleaf?" he asked, terrified.

"To put you in misery what you deserve!" Hollyleaf hissed, he tried to shruggle to break free, but she kept holding him down. "And who is Scourge?"

Ashfur didn't say a word, he was still terrorfiled. "I won't tell you, Hollyleaf," he meowed, still struggling. "You should ask them yourself....!"

Then it was too late, Hollyleaf slash his cheek and his left throat. He was gaping then he died. Hollyleaf stared at his body. She was cleaning her fur coming out of the blood, then she went back to ThunderClan.Ashfur was laying dead, the blood coming out of his throat.

XXX

The small black tom coming out of the bush to find some prey, he suddenly find Ashfur, laying dead in the bloody pool. His eyes were wider, he recognized him from a long time ago. He started sniff his neck, then he has a huge scent of the strange black she-cst who had murdered him. He started to pick him up, bringing him to BloodClan.

Don't worry, Ashpaw, he thought, running in the forest. *I'll save your life! Just don't die on me!*

XXX

It's been few minutes since Ashfur almost died, he opened his eyes closely. He stood up and see the strange place.

Where am I? He asked himself, looking around. He stopped, he can feel the pain of his neck was burning him. He went outside to see those strange cats. *What is this place?*

He looked around and saw the leaves was falling apart one by one. Ashfur has to sit down for a while, thinking about what happened

to him in the riverbank.

I can't remember who tried to kill me, Ashfur thought, thinking about something.

He started to go to the forest, he was walking in the path slowly. Suddenly, he saw the others were worried, looking for him.

He blinked his eyes. He barely remember now. Hollyleaf did almost killed him. *So, it's true! Hollyleaf is the only one who almost killed me, but nobody knows she's a killer.*

He saw the black she-cat was asking them what was going on. He use his bare teeth as he was growling. He started to walk away from them. *I'm not going back to them,* he growled. *I'm glad every cat thinks I'm dead.*

He was going back to the strange cats, he suddenly stopped. He was looking and sniffed in the air. He heard a noise from the bush. He turned around and saw the strange small black tom was staring at him, his blue eyes were glow.

"Ashpaw..." a voice meowed deeply, Ashfur saw him coming out of the bush.

His eyes were wide. He stepped back. "Who are you?" he asked nervously.

"Have you forgot?" The small black tom asked, his eyes were shining like a bright star.

Ashfur blinked, something had came out of his mind. "You're the cat from before!" He gasped, stepping away from him. "Sta..... Stay back!"

"Ashpaw--"

"Ashfur!" he hissed nervously, stepping away from him then he bumped against the wall. "Just... leave me alone...!"

Scourge was taking a step closely. "Ashfur, I don't want to hurt you," he purred, he gave him a soft putt as he was hugging him tightly.

Ashfur felt the pressure inside of him, making him so depress. He started to push him away. "No, this isn't right!" he wailed, he starting run away from him. "You killed Tigerstar and I can't be with you!" He was running in the forest, suddenly he stopped.

He turned around and hear him crying. Ashfur doesn't like it when he was crying. He took a step, he was watching him cry. He started call his name.

"Scourge?"

Scourge stopped crying, he turned around and he started to leap at him. Ashfur gasped, closing his eyes. He opened them, he saw Scourge was hugging him, he's still crying as he was hugging her. Ashfur smiled as he hugged him back.

"I missed you so much!" Scourge cried, still hugging him tight.

"I missed you, too," Ashfur gave him a kiss on his cheek.

Scourge started to pressed his lips against his. They were kissing as they were moaning.

"I love you, Ashfur," he cried, gave him one more kiss on his lips.

"I love you, too."

Ashfur's P.O.V.

It was so great to see Scourge again, we were purring each other as he gave lick my ear. I giggled as I licked back.

I stared at him for a while, he looks so handsome when he was walking around.

"Okay, Ashfur," Scourge meowed, staring at the other cats. "I'd like to meet all of my friends. This is Brick, and this is my deputy Blood."

"Hello, Scourge," Blood bowed down to me, I stared at him when he has scar on his shoulder.

"Hi." Brick meowed at me, smirking at me.

Scourge looked back at me. "So?" he asked. "You wanna see the others?"

I nodded. We were climbing up top the rock and meet the other cats. Scourge was calling out for a meeting as the cats were gathering. I stated down at them.

Scourge was telling the cats that I was a new comer, then all the cats were cheering. Then we were continuing stay close together.

XXX

It was dark outside, I was looking above at the bright stars. The full moon is so shining and can barely feel the moon was in my eyes.

I can feel the soft green grass was breezing me around my fur. Suddenly I saw Scourge was looking for me, he saw what I was standing for.

"Hey, Ashfur," he meowed, pressing my fur against my neck. "How's it going?"

"It was good, Scourge," I replied, looking above. "Just missing the old days when I was an apprentice. I used to play with you for a moons ago."

Scourge chucked, pressing my fur. "I know," he started to look above. "I still missed you, Ashfur. I will never run away from you again, I promise."

I began to smile at him as I pressed head against his throat. "I missed you, too, Scourge," he whispered, he pressed his lips against his.

(Son of a bitch, here comes a lemon or a song, everyone).

(Flesh by Simon Curtis starts now)

Scourge's P.O.V

I pressed my lips against his, too. We were kissing as we were moaning softly. He gave him a deeper kiss inside of his mouth, I used my tounge around his tounge. We stopped kissing, we were staring at each other.

Ashfur stared stared back. "Scourge?" he asked, calling out my name.

I remembered that time when I let him use my collar when he was pretending to be me. I took off my collar and gave it to him.

"Here," I mewed, giving him a collar. "I want you to have my collar. You're one of us, now."

Ashfur was blushing, he put my collar on around his neck. "Thanks, Scourge," he was giving me a smile.

I didn't say a word, I was just stared at him for a few seconds.

"Scourge?"

I suddenly pinned him down in the soft grass, he gasped as he was blushing.

(I don't own this picture, please just kill me what I was about to do.)

"Sc... Scourge!?" He was surprised, still blushing. His eyes were wider and wider.

"Ashfur, you have ever have mate before?" I asked, staring at his gaze.

He shook his head. "...N-No."

I started to whisper at his ear. "I can show you how." I gave him a deeper kiss with my tongue.

(I don't own it either!)

We were moaning, I saw Ashfur was closing his eyes as he moaning. I continued to kissing him deeper. I started to kiss him around his neck, his belly, and then his nipple.

Ashfur was moaning, wailing to feel the pressure. I chuckled, I started to suck his nipple as he was moaning whimperly, my mouth was thrusting in and out.

Ashfur cried out for wail. "Oh, Scourge," he moaned, he tried to roll around, I was stopping him. "I think I'm gonna--- ah!" Then it came out of his nipple, I started to lick his warmest cum around his nipple and my paws.

I heard him panting, as I crawled into him. I pressed my lips against his as I started thrust inside of him. He can feel the pressure inside of him as I was thrusting gently.

I heard him whimpering as I was thrusting, he was holding my back to feel the pressure. I started to thrust harder as I heard him crying and whimpering, his tears streaming down out his eyes.

Ashfur whimperly, he looked away from my face and closing his eyes to feel his pressure is about to come out, I was panting and moaning when I can feel it's cumming. Then it came inside of him. Ashfur stopped whimper and crying, he was panting.

I was panting, I was laying beside him, giving him a kiss on his cheek. "I love you, Ashfur," I murmured.

Ashfur smiled. "I love you, too."

Chapter 6: New Member of BloodClan

[image]

The next day, Scourge was calling out his Clanmates for a meeting. All the cats were gathering as they staring at the leader of BloodClan.

"Cats!" Scourge called our his Clanmates. "We are gathering here to meet our newcomer, Ashfur."

Ashfur stepped forward nervously. All the cat's were staring at him.

"Ashfur is from ThunderClan," Scoulfe explained. "and he's gonna join us in BloodClan. He's our new member of BloodClan."

All the cat's were cheering loudly as they were calling his name. Ashfur smiled nervously.

Scourge looked at him. "So, what do you think of joining my Clan, Ashfur?" he asked.

He wasn't being nervous anymore, he started to give him a real smile. "I think it was great to join your Clan," he meowed.

Scourge giggled, he gave a purring against his neck. "I knew you'd love it," he murmured.

Ashfur giggled back.

Hey, guys! Sorry with that short story. I was wore out this morning. I'm sure I'll write it better.

A/N: The Ideas of Hollyleaf

[image]

Hey, guys! I was planning to write a story about Hollyleaf joins BloodClan. I want her to be a good cat, but I don't want her to be evil. I want her good!

Well, first of all, about Hollyleaf. She will be in this story Scourge x Ashfur: A Love Story.

I wanna to make ideas of Scourge and Ashfur gore on a jounery with Hollyleaf when they return to ThunderClan. I want to write a story about them defeating The Dark Forest.

Well, about Hollyleaf x Scourge. Heck, I was making ideas of Hollyleaf has a crush on Scourge, but he's her great-uncle! Ewww! I can't believe I was about to write this.

Okay, this is a story about Hollyleaf ran away from home and she meets Scourge on BloodClan. She found out that Ashfur is still alive. She gets angry when he's still alive, but she doesn't want to kill him again. She turned out to be a good hero. Scourge protects Ashfur when Hollyleaf was planning to kill him again, but she's not a killer anymore.

Well, I love the story called Hollyleaf's Story. It was a story about Hollyleaf meets Fallen Leaves when she lives in the tunnel with him. I guess I wanna to write that story about Fallen Leaves. Because I love all of my favorite characters. I love cats! They're cute and they're awesome!

Well, when Ivypool and Dovewing grew to become warriors, Scourge and Ashfur went to help Hollyleaf to save the two sisters from Sol. It's coulda hard to write a story about Hollyleaf's Story or The Forgotten Warrior. I've never read The Forgotten Warrior. It's hard to read, but I can make that up.

I hope you guys love it.

Peace!✌✌✌

Kissy!😽😽😽

Chapter 7: Hollyleaf

[image]

Ashfur and Scourge went on a patrol with Blood, the deputy of BloodClan. They went to the field to find a pray.

"Hey, Scourge," Ashfur called, he was wearing his purple collar with sharp tooth and claws.

"Yeah?" Scourge asked, smiling at him.

"Do you guys know how to hunt?" he asked back.

They nodded.

"Yep," Blood meowed, nodding his head. "We learned how to hunt." Blood started to run in the field, making sure if nobody's in their territory.

"But can you guys do that? Can you understand?"

"Of course we understand, Ashfur," Scourge murmured, padded his back with his tail. "All the cat's were learning how to hunt."

"Ohh.." Ashfur looked away, blushing.

"Hey, Scourge!" Blood meowed out, running toward at Scourge and Ashfur.

"What is it, Blood?" Scourge asked.

"There's a black she-cat was laying in the tunnel who was unconscious," Blood told him, making Scourge's eyes narrowing.

"Show me!" Scourge ordered. They started run in the field to find the black she-cat. Ashfur was confused about the black she-cat.

I don't know who's the black she-cat, Ashfur thought, running after his mate. *But I have to find out!*

When they went to the tunnel, Ashfur saw the familiar black she-cat who was the daughter of the unfamiliar she-cat who doesn't want him to be her mate.

It was Hollyleaf! Her leg was broken when the blood came out of her foreleg.

Hollyleaf!? Ashfur gasped, stepping away from her. *What is she doing here?* Then his mind popped out, making his eyes blink. *Wait a second. I remember when she tried to kill me in the river, asking me who Scourge is! And why is she here, anyway?*

Scourge saw Ashfur was stepping away for. "What's wrong?" he asked, making himself worried.

"I remember her," he murmured, pointing his paw at her. "It's Hollyleaf from ThunderClan. She's the one who killed me..."

"What!?" Scourge blinked. "And you didn't tell me?"

"I'm sorry, Scourge," he apologized, shook his head, making him depress. "I've haven't tell you before you rescued me from my death. It all started a long time ago when I was a young warrior." Scourge and Blood wete sitting each other as they were hearing Ashfur's story. "I used to tell on love with a she-cat named Squirrelflight."

"Squirrelflight?" Scourge asked, making him jealous. "Who's Squirrelflight!?"

"Calm down, Scourge," Blood ordered, calming him down, he turned his head at Ashfur. "Continued, Ashfur."

"Well, as I was saying," he continued. "Squirrelflight doesn't love me anymore, and now she's with Brambleclaw. When they were together, they had kits. Firestar wants me to mentor with Lionpaw. So one day.... when the forest is on fire, I had revenge on Squirrelflight for breaking my heart. She told me that her kits ain't her and Brambleclaw's. After the fire stopped, Hollyleaf went to find and tried to kill me. She asked me who Scourge is when I was whimpering, then she left me for dead in river."

Scourge and Blood had never heard of Ashfur's story. Scourge

almost cry when he wiped his tears off. Blood didn't cry, he felt bad for the cat who was broken.

"So then you," Ashfur stared into Scourge's icy blue eyes. "You saved my life when you brought me to BloodClan. I've haven't told you when I've became the member of BloodClan."

"Ashfur..... I'm so sorry about your past," Scourge wailed, his tears streaming down his eyes. "It was sad. It reminds me of my past, too."

"Really?" Ashfur asked, his eyes wider. "What's your story?"

Scourge took a deep breath. "When I was a kit," he told them. "My real name is Tiny. My brother and sister were bullying at me when they called weak and pipsqueak. My sister, Ruby, told me they gonna throw me in the river, so I ran away from home. When I went to the forest, Tigerstar beats me up and almost kill me. When I grew up to become a leader, I killed Tigerstar that you knew that I'm a murderer. I'm sorry that you have to see it."

Ashfur purred against his neck. "It's okay," he meowed. "I understand. I understand about your past."

Scourge stroke his forehead as his tears streaming down his face, it dripped into Hollyleaf's face. Blood just saw it.

Blood turned around and saw the strange ginger-and-white tom coming out of the tunnel and saw them sitting beside Hollyleaf.

"Ummm..... guys," Blood poking Scourge's shoulder.

"What is it?" Scourge asked, he saw it, too.

Ashfur blinked his eyes. "Who are you?" he asked the ginger-and-white tom.

"No time for this," he meowed, grabbing Hollyleaf's back, dragging her around.

"Hey!" Scourge snapped. "Where are you taking her?"

"I'm taking her to my den," he meowed. "Are you gonna help me?"

Ashfur nodded. "Of course." He started to pick Hollyleaf up on his back.

"Whoa, whoa, whoa!" Scourge stopped them. "We can't do that! She's a ThunderClan cat! Why would we help her?"

"Come on, Scourge," Blood meowed, he started to help them. "You heard what the cat said."

Scourge groaned, rolling his eyes. He held the other as he was holding Hollyleaf's tail.

Hollyleaf's P.O.V.

I can feel the water drip onto my face, I opened my eyes and saw the small black tom was crying, he thinks I'm dead.

Do I know him? I thought, hiding myself as I was closing my eyes. *What is he crying about?*

Suddenly, I heard the strange ginger-and-white tom was dragging me around, then all the cats were picking me up. I started to passed out, but I saw the familiar pale gray tom who was helping me.

Is that..... Ashfur!? He's alive!? How did he survive? I killed him!

I suddenly passed out.

Author's P.O.V.

The four cats put Hollyleaf in the ginger-and-white's den, the ginger-and-white tom started to heal her foreleg. Ashfur, Scourge, and Blood were watching him healing her leg.

Then the black she-cat opened her green eyes and saw the ginger-and-white was giving her some pray.

"She's awake!" Ashfur cried, wripping his tail around.

Hollyleaf groaned, feeling dizzy as she was wiping her head around.

She can feel the sharp of pain strikes her leg as she grunted. "Where am I?" she asked, she turned around and saw the familiar pale gray tom who wasn't dead. Ashfur gleamed his dark blue eyes. Hollyleaf blinked her green eyes. "Ashfur!?" She stood up, she lied back down as she can feel the pain was making her lying around. "You're alive? How!?"

Ashfur stepped back. "Look, I can explain, Hollyleaf," he calmed himself down.

Hollyleaf started to pinned him down as Ashfur screeched. "Explain for what!?" she growled.

Ashfur was horrified, suddenly Scourge hit her as he pinned her down.

"Touch him again, I will kill you!" Scourge snarled, trying to kill her.

"Scourge, don't!" Ashfur begged, grabbing his white paw.

Scourge stopped, letting Hollyleaf go. "But, Ashfur," he complained. "She's the one who killed you."

"Then don't kill Hollyleaf," Ashfur snapped, facing at him. "I was the only to let her live."

"Yeah," Hollyleaf snapped back, growling at them. "He's the one who tried to kill me and my brothers when he gets revenge on Squirrelflight. Is that all you want to say, Ashfur?"

Ashfur nodded.

"Of course I've already knew about Ashfur's past!" Scourge snarled, facing at Hollyleaf. "You knew along about Ashfur!"

"That's enough!" The ginger-and-white snapped. All the cats looked back at him. "Hollypaw--"

"It's Hollyleaf," she responded nicly, she was blushing. "How do you know about me?"

"I've watched your brother Lionpaw when he's with the brown tabby she-cat," the ginger-and-white tom told her.

You mean Lionblaze and Heathertail? Hollyleaf thought, her eyes were wider.

"Whoa, whoa, whoa!" Scourge stopped them, pushing them away from each other. "Okay, I want to know who that tom is!" He looked at the ginger-and-white tom. "Who are you, anyway?" he asked.

"I'm Fallen Leaves," he responded, smiling at them. "What's your name?"

"I'm Scourge, in your information," Scourge told him, smirking at him.

"I'm Ashfur," he mewed.

"Blood," he muttered. "My name's Blood."

"It's nice to meet you all," Fallen Leaves bowed his head. "Now, why don't you three let me heal Hollyleaf, so she'll be much better."

They nodded. They went back to BloodClan.

"I'll see you, Hollyleaf and Fallen Leaves," Scourge meowed, giving them a smirk. Then they went back to their territory.

"Bye," Hollyleaf waved, she was blushing at Scourge. *He looks nice and handsome. I wonder if I can visit him sometimes, but why is Ashfur still alive? I killed him!*

Chapter 7: Robert's Evil Ideas

[image]

I want my oc Robert to be evil, I want him to be this way. I wanted to make ideas about Robert who will kill Scourge and becoming a leader just like Tigerstar who tried to kill Bluestar, tried to take over her leadership. But Scourge will never die. I don't want that. Just want him to be this way . Well, he doesn't care if they're gay. He'll get used it it.

It's been a while since Ashfur had became the new member of BloodClan, and he and his mate had held Fallen Leaves for healing Hollyleaf. Then Hollyleaf had found out that he's still alive. She thought that he's dead, but not anymore.

Scourge and Ashfur sat beside the BloodClan deputy, and the ginger-and-white tabby tom with brown stripes on his back, his legs, and his tail, his names Robert.

"So," meowed Robert, his amber eyes were glowing. "Scourge, what are we planning to do with our decision?"

Scourge stood up. "Well, I decided that we need to fight with dogs," he told Robert. "There are dog's in our territory when we came back to BloodClan."

"I see," murmured Robert, sound like interesting.

Ashfur stood back. "So, Scourge," he gave him a smile, giving him a happy look. "Are we gonna bring all the warriors to fight with dogs?"

Scourge nodded. "Of course, baby."

Baby? Robert blinked his eyes. *Why is he calling him baby? Is he..... gay?*

"We can bring all the warriors," Robert heard what he was saying.

"Scourge, what if they're too weak?" Blood asked, making himself concern.

"Then train them how to fight dogs," Scourge snapped, rolling his eyes. "You can do that, right?"

"Yes, sir."

"Then go train them!" Scourge pointed out as Blood went outside to train the warriors.

Ashfur watched him leave, he turned around and see Scourge was continuing make ideas.

"As I was saying, we have yo defeat dogs, or else the dogs will chase us off," Scourge gave them a warning, narrowing icy blue eyes.

"Umm.... Scourge," Ashfur padded at his shoulder. "How about that we should train them, okay?"

Scourge nodded. He looked at River and all the cats. "You all dismiss," he replied, he and Ashfur went outside, holding their tails together in public.

Robert watch them walking away. *So, it's true,* he thought. *He is gay. Well, I don't care if they're gay. Hehehe, i will be the leader one day. This time, I will take over Scourge's leadership. This time, I will kill Blood, then I will become BloodClan and become a leader.*

Scourge and Ashfur watched Blood teaching the cats how to fight. Ashfur knew he brought a kit who was barely 5 moons old, he almost 6 moons old. The kitten is a pale gray and blue eyes.

Ashfur stared at Bloods kit. "Wow, Blood," he mewed. "I didn't know you had a kit."

Blood smiled at him. "That's my son, Gray," he replied. "He's playing. Well, he likes to learn."

Gray giggled as he was training. All the cats kept practicing as they training harder.

Ashfur was smiling, he was looking around at the cats. "Well, all the cats did well," he murmured. "That looks like Scourge needs an ideas to fight with dogs."

Blood agreed. He was watching his son learning how to fight. Ashfur knew he was too small to fight with dogs.

Scourge came out of his den, calling out for a Clanmeeting. "Okay, warriors!" He called out loudly, he climbed up the rock, then he sat on the edge. "Keep on training, we still need to fight with the dogs!"

All the cats were training as they were panting, except Gray who was done playing. Suddenly, they all got exhaustion as they fell in the ground, getting themselves a rest.

Scourge scowled. "Really?"

Ashfur came up the rock and padded Scourge's left shoulder. "Don't worry, Scourge," he smiled. "Let them rest for a while."

Scourge and Ashfur went to their dens as they were holding their tails.

Chapter 8: Battle with Dogs

[image]

It's been three days since all the warriors were training, Ashfur was taking himself a bath as he almost ready to go on a patrol. When ashfur was done licking his fur, Blood cane inti his den.

"Ashfur," Blood meowed. "The patrol is getting ready."

Ashfur came out of his den, he saw Scourge was sitting by himself. He gave Scourge a pad.

"So, Scourge," he mewed, gave him a smile. "Are you ready?"

Scourge nodded. "Yes..."

"What's wrong?"

He looked away. "It's nothing." he murmured, feeling his stomach anixety.

Ashfur just saw his sweat came out of the forehead. "I think there's something wrong with you," he concerned. "What's wrong?"

Scourge took a breath. "I..... I had a secret, Ashfur," he whimpered, looking into his gaze. "Will you keep a secret?"

Ashfur nodded.

"I.... I didn't fight the dog," he told him, looking away from his face. "When I was a kit, I was so scared of the dog. I realize everyone thinks..... I've fight the dog. I only claws at the dog's tail when I was brave."

"Scourge, you are not scared!" Ashfur replied, he used his paw to touched his forepaw. "You did the best what you did to the dog! You can do this! I believe in you!"

Scourge smiled, he pressed his lips against his. He let his lips go,

then they are ready to go.

Gray was begging his father as he was willing. "But, Dad!" he wailed. "I'm nearly full grown! Why can't I join the patrol!?"

"You're still too young, Gray," Blood scolded at his son.

Gray started to snap at him. "I'm 6 moons old, now!" he hissed at him. "You can't tell me what to do! You're not the boss of me!"

"I said *no,"* Blood snapped back, still scolding at him. "And as deputy *and* leader of this patrol; I said no! Now go back to your den!"

Gray groaned loudly, he ran into his den. "You always protecting me from danger, Dad!" he cried angerily. "Even since Mom died for a long time ago!"

Scourge sighed. "Okay," he exhaled. "Let's just head out."

Ashfur felt bad for Gray for losing his mother, he doesn't know that Grey's mother died. He took a deep breath.

Ashfur stopped his mate. "Scourge, wait!" he ordered.

"What is it?"

"I need a word with Gray," Ashfur told him, he went to Gray's den.

Ashfur saw Gray was sitting alone, he sat beside the gray tom. "Gray?" he asked nicly. "May I have a word with you?"

Gray nodded. "Sure."

"Look, I know you wanted to go to the patrol, but it's dangerous in the forest," Ashfur explained, he swiped his tail around his shoulders. "There's dogs in the forest."

"I know," he muttered. "But my Dad won't let me. He always protecting me from danger. I remember how Mom died in the battle."

Ashfur exhaled. "My mom died , too, you know." He told him, giving him a sad look.

Gray looked at him.

"My mom died of being killed by Tigerstar while she was eaten by dogs," Ashfur told him. "My sister Ferncloud and I always missed her when I was your age. I know how much you missed her. I know you wanted to help us. I'll teach you when we're done chasing dogs."

"Really!?" Gray asked, giving him a happy look.

Ashfur nodded. "Of course, Gray," he replied. "When you're 6 moons old, I'll be your mentor."

"That's great, Ashfur!" Gray stood up. "You can teach me how to fight dogs! What if you can take me to the patrol?"

"Ashfur?" Blood came in, he knew he was worried about his son.

"Blood, is that all right if I can be Grey's mentor?" Ashfur asked him.

Blood was looking at them one by one, he was feeling worried about bringing him to the patrol.

"After we're done patroling?"

Blood sighed, he started to nodded his head. "Yes," he meowed.

"Yes!" Gray squeaked. "I'm gonna be Ashfur's appretice!"

Blood stated at Ashfur. "Now can we go?" he asked. "Scourge is waiting for you."

Ashfur and Blood went back to the patrol with Scourge.

XXX

Meanwhile, they went to the field to find the different forest, one of the cat's were looking for the dogs as Robert leaped his foot when he got off the rock.

"We should be close," Scourge muttered, Ashfur was standing behind him. He turned his head at Robert and Blood. "Robert and Blood, get into your positions."

They nodded. Blood sniffing at the grass in the ground like a dog.

Robert stopped. "Scourge!" he called out his name. "We find something."

They saw the big tress in the edge of the bushes. "Everyone, get into your places." Scourge ordered, they were sticking close together inti their places.

Alright, Scourge took a deep breath. *We're ready. I will protect my Clan!*

Suddenly, there was a noise came from the bushes.

"Dogs!" The pretty gray tabby she-cat gasped.

Scourge started to pinned the strange black she-cat who had saved her life. He blinked his eyes. "Hollyleaf!?"

There was a little fox got scared as he ran and hide in the bush.

"Scourge!?" Holly blinked, her face we blushing. He let her go as she was breathing.

"Sorry," Scourge meowed, he was blushing back. "I didn't know you're here. But, seriously, what are you doing here?"

"I was bringing the baby fox back to its mother," Hollyleaf told him, smiling at him. "Fallen Leaves got scared of the fox when he hides in the tunnel."

Scourge scowled, rolling his icy blue eyes. "What a coward," he complained.

"Scourge," Ashfur snapped, he knew Scourge was being rude. "Why don't you be nice, huh?" He gave him a smile as Scourge was blushing.

"Okay...." He murmured, looking down at his foot.

The baby fox came out of the bush and started to lick Scourge's face.

"Hey, no!" Scourge snapped, stepping away from the baby fox. The baby fox is still licking him. "Hey! Get off!"

Ashfur, Hollyleaf, Blood, and the pretty siver tabby she-cat were laughing at Scourge when he was being licked by the baby fox.

"So," Hollyleaf stepped forward at Scourge, Ashfur saw her what she was doing. *Is she.... flirting with him?* Ashfur watched her smiling at him as she used her tail at his forepaws. She looking at Scourge's face. "What you guys doing?"

Scourge was blushing, looking away from her. "Umm..... we were patrolling to get rid of the dogs," he explained, he can hear Ashfur was growling as he was using the claws to dig around when he was sitting.

Don't you dare flirt with my mate! Ashfur stared at her with fury in his eyes. *He's mine!*

"Umm... excuse me?" asked the pretty siver tabby she-cat asked. "What about the patrol?"

Yeah, Scourge! What about the patrol!? Ashfur was tapping his tail up and down.

"What's wrong, Ashfur?" Blood asked.

He looked away. "It's nothing," he said quietly.

Hollyleaf looked at him. "Umm... Ashfur?"

"Yes?"

"Are you still angry about the time when I've killed you?" Hollyleaf asked, giving him an apology face.

Ashfur looked away.

"Look, I'm really sorry that I've killed you in the river," she gave him a smile, he knew she was worried about him.

"I know what you're doing," Ashfur snapped, facing at her like a battle. "You tried to flirt with Scourge. Stay away from him! He's mine!"

Hollyleaf blinked her green eyes. "What!?" she was confused, she stepped back. "You mean.... you like Scourge?"

Ashfur nodded angerily. "Yes!" he snarled. "You know what I mean. He's my mate and I won't let you!"

"Look," she snapped. "I'm not flirting with Scourge. I gave him a friendly look. Okay?"

Ashfur rolled his eyes. "You're lying!" he pointed out. "You flirted with him! You liked him, don't you!?"

"Ashfur, quick being a mouse-brain!" Hollyleaf argued. "I'm not lying! You know better than that!"

"Stop fighting!" The pretty silver tabby she-cat snapped.

"What do you want, Silver?" Ashfur asked.

Scourge stepped forward, he used his tail to touch his mouth. "Ashfur, Hollyleaf," he snapped back. "We need to go the patrol, and Hollyleaf. You can go bring the baby fox back its mother then go back home."

The baby fox cuddled at Hollyleaf, it was licking her ear. Hollyleaf looked at it. She took a deep breath.

"Will you help me find the mother?" Hollyleaf asked.

Scourge stopped. He was looking at them. He started to deep breath. "Fine," he snapped, blushing. "I'll help you find the mother."

"Umm.... Scourge!" Ashfur pointed at the huge dog.

Scourge turned around and saw the dog was growling as the spit

came out of his mouth. He started to screeched as he was bristle with his whole body.

"Scourge!" Hollyleaf yelled.

There are two dogs came out of the bushes as the two dogs were standing behind the first dog. All the cats were staying close together as they were ready to fight.

"It's time to fight!" Scourge hissed. "BloodClan, attack!" All the cat's were attacking the three dogs. Hollyleaf held the baby fox to hide the buses.

Scourge was slashing the dog's throat as he was grunting. The dog tossed him in the air. Scourge landed in the ground.

"Scourge!" Ashfur cried. He landed at the dog's back and slash into its cheek. The dog grabbed Ashfur's back and tossed him at Scourge, causing them hit each other. Ashfur hissed at the dogs.

Scourge stood up. "Are you okay?" he asked worrily.

Ashfur nodded. "Quick!" he yelled, pointing at the rock. "We need to get up the rock hill!" They saw Robert was staring at them. Ashfur leaped at the edge as Robert held him up. Scourge climped the rock as he almost fall, he was using his long claws to climb. He tried to reach Robert, but he doesn't help the BloodClan leader.

"Robert, help me!" Scourge begged, trying to reach him.

Robert stared at him for a few seconds, his amber eyes are cold. He used his claws to grabbed Scourge's wrists. He saw the dog was reaching Scourge's tail, but he can't reach him. Scourge looked at the hunger dog, he looked back at Robert.

"Robert, pull me up!" Scourge begged. "Hurry!"

Ashfur just saw it, he knew there's something strange about him and he knew he doesn't want to help him. "Robert, help him!"

"Scourge?" My eyes are wide, I saw the dead body of my father. I knew Scourge had killed my father . His fur is covered in blood and his paws was all stained.

Scourge looked at my father's body as he looked back at me. "Robert...." he rasped, his eyes were wider as he looked at his paws, dripping the blood inti his paws and the ground . I saw his mouth was covered in blood. " It's not what it's look like!"

"You killed my father!" I cried, stepping away from the leader. "He was suppose to be the deputy of BloodClan!"

"He did it what he deserved, Robert," Scourge wailed, shriveling like a frozen cat. His tears came out of his eyes.

*"Murderer!" I screamed at loud. "You are a murderer ! **Murderer!** "*

"Robert!" Ashfur hissed, snapping out of his mind. "What are you doing? Help him!"

"Robert!" Scourge cried out his name, he can feel Scourge's paws was slipping. "I'm slipping!"

Robert has a choice to let him for, or saved his life. He was looking at Ashfur and Scourge when he kept looking around. Then Ashfur held him, pulling him up.

"Are you okay?" Ashfur asked worrily.

Scourge nodded.

They heard a shriek, they saw Silver was being killed by the dog. They saw the dead body of Silver was landed in the ground.

They gasped. "Silver!"

Scourge started to growl at the dog, he leaped at the dog's back as he was fighting it. Then Scourge slashed inti it's throat. It gagged as it crunched it's body, then it fell in the ground and bleeding out to death. The two dogs were whimpering and started to run away from them. Scourge panting, watching the dogs running away in the forest.

Scourge turned around and saw Silver's body. They were gathering at her body. Hollyleaf and the baby fox cane out of the bush and saw what happened.

"Silver is a brave she-cat," Blood murmured sadly. "She held us fight that dog, and then.... she's gone." They bowed their heads down, using their sorrowful look. Then it started to rain. Their furs were all wet.

Ashfur turned around and saw Robert was standing by himself. *I don't know what's got into Robert,* he thought. *But is he tried to kill Scourge when we went to the battle?*

Hey, guys! I wanna go show you about Scourge, Ashfur, and Hollyleaf. I used my phone to make the art stuff, whatever. I loved the song called So Far Away by Nickelback. It was my favorite, so I made that photo. It looks cool and great.

Misused is use (something) in the wrong way or for the wrong purpose. Well, it was too closed to put a picture of Hollyleaf when she fell in love with him, but that was bad. She is his half-greatniece. Lol! I'm a idiot, anyway. I always get confused about the words.

Well, anyway, I told it's happening!

I will write a chapter about Scourge and Hollyleaf were kissing, but Hollyleaf was to make out of him when he turns into bisexual like I'm bisexual, too. But he's still gay. I felt like Ashfur is bisexual, but he's gay. I was think that I could draw a picture of Scourge uses gay flag and Ashfur uses bi flag. I kept thinking of the pictures who is bisexual.

Well, anyways, let's see about the next chapter, guys! I hope you guys will love this shit! Ashfur will get pissed when I write a chapter about Hollyleaf makes out with Scourge. Lol!

Chapter 9: Confession, " It's not what it looks like!"

(So Far Away by Nickelback)

After they defeated the dogs, after they held Hollyleaf to find the baby fox's mother, they went back to BloodClan and Hollyleaf went with them. Ashfur gets jealous of Hollyleaf for being close to him. He hates it when she likes him. Scourge is still homosexual, and so is Ashfur, but he used to lived Squirrelflight when he's straight, but not anymore. He became homosexual when he fell in love with Scourge.

"Ashfur! Ashfur!" Gray called out, running around.

"Yes?" asked Ashfur, gave him a smile.

"Will you teach me how to fight?" Gray asked, he knew he was being excitement.

Ashfur nodded. "But first, we had to go on the patrol," he told his new apprentice.

"Okay," he squeaked, he started to follow his new mentor. "So how is the dogs? Did Scourge killed it?"

"Yeah," he murmured. "And very scary. You meant not wanna see the violence."

"I'm old enough to see violence!" Gray meowed, walking around.

"But you're still a kit, Gray," he meowed back. "You're 6 moons old and you can't kill them."

Gray leaped his paws. "But Scourge is the one who killed it!"

"I know," he replied. "He always killed cats and dogs."

"But how come you never killed cats?" Gray asked him a question.

Ashfur shook his head, looking away from his face. "I've never killed cats before," he murmured sadly. "I'd never do that before. It's against the rules when we kill cats."

courge went to his den, he took a breath as he sat down. He turned around and saw the black she-cat came into his den.

"Hollyleaf?" he blinked his eyes, started to blush. "What are you doing here?"

"I only came here to talk to you," Hollyleaf told him, gave him a smile as he was blushing.

"That's nice, Hollyleaf, but I had a gift for Ashfur," Scourge looked down at his paws, he stared at the red rose.

Hollyleaf came closer to Ashfur, she sat beside him as she saw the red rose was laying on his den.

"Are you planning to make kits?" Hollyleaf asked, giving him confuse. "You know two toms can't make babies."

Scourge rolled his icy blue eyes. "Oh, whatever, Hollyleaf," he scowled, still blushing. "It's not about making babies! It's about a gift for Ashfur!"

Hollyleaf didn't say a word. Scourge turned his head at her and waiting for her to talk. She gave him a smirk.

Is she smirking at me? Scourge asked himself in his thoughts. *Why is she smirking with me!?*

Hollyleaf started to use her tail against his as she was holding his tail. Scourge just saw that as he was blushing. "What if you can

make babies with me?" she asked, gave him a closer look.

"Whoa, whoa, whoa!" Scourge snapped, stepping away from Hollyleaf. "Are you flirting with me?"

Hollyleaf was still smirking.

"Look!" Scourge snarled, stepping close to her ad he was blushing. "What you're planning to do with me is a bad idea! I loved Ashfur, and I don't like you! I don't love you, okay!?"

Hollyleaf hushed him with her tail as she covered his mouth. "Shh," she hissed softly, she started to pin him on his den as Scourge was blushing.

"Ho-Hollyleaf!?" Scourge gasped, his face is getting red. "What are you doing!?" He saw her crawling his stomach with her paws, she pressed her lips against his. Scourge gasped as he watched her kissing. She stick her tongue inside of his mouth, Scourge started to moan as she gave him a deeper kiss.

"Holly-Hollyleaf," he whimpered. "Why!?"

Hollyleaf kissed his neck as she kept kissing all over his body, then she started to suck his nipples.

"Nooooo!" Scourge cried, he started to wail as he was moaning. He can feel the pressure inside of him when his inside started to come, then the cum came out of his nipples as Hollyleaf licked his juice with her one paw.

Scourge was breathing calmly, he watched her sat on his lad when she's ready to hump him. Then Scourge started to wailed as Hollyleaf hump him slowly, I guess they were mating.....😩

(Sorry, guys! I was embarrassed to write sex story..... I want to kill myself.... oh, god! I'm sorry Ashfur! I love you!)

Hollyleaf giggled as she was moaning, Scourge started to cry when he can feel the 'unpressure' inside of him. His tears streaming down his face as he was crying and moaning. He started to feel the pressure again when his cum comes, it gets inside of him as she

stopped humping him.

After Ashfur trained Gray, they went back to BloodClan, he went back to see his mate. When he went to Scourge's dens all he saw was Hollyleaf and Scourge were mating!?

Ashfur gasped. "Hollyleaf?" he frozed himself. "Scourge!?"

Scourge gasped, pushing away from her. He stood up and gave him a sweaty look. "Ashfur!" he panicked. "It's not what it looks like!"

Ashfur stepped back. "You..... don't love me, anymore?" he asked, he started to run away from Scourge when he was crying.

"Ashfur, wait!" Scourge chased after him.

Hollyleaf watched him chasing him. She started to gasped when she feels awful about Ashfur. She almost cry when her eyes were wriggling. *Whay have I done?* she asked herself, she covered her mouth when she was panicking. *I... I made a mess.... I didn't know Ashfur came back.... I.... I raped Scourge! I only like him and I'm in love with Scourge!*

XXX

Ashfur ran as fast as he can, crying in the forest. When he was running away, he stopped running. He saw something was going on. He started to walk as he peaked in the bush. He saw the cats from before.

Do I know them? He was confused, he leaned forward.

"Jayfeather!" a voice called the medicine cat's name, he started to hide the tree so nobody can see him. He saw the unfamiliar gray tabby tom from before who was blind.

Jayfeather? Do I know him? Suddenly, his mind popped out to remember. "Wait a moment," he whispered. "I remember that blind cat! It's Jayfeather, Squirrelflight's son! But... he's not the son of Squirrelflight. Who is the mother of Jayfeather?" *Should I go back to*

ThunderClan, or should I go back to Scourge? I didn't mean to run away like that! What choice do I have?

"Jayfeather!" The dark gray she-cat ran after him, Ashfur saw what she was carrying it. "I almost lost you!" she meowed.

"Oh, that's a good idea!" Jayfeather snapped, using his mean face at her. "So, leave me alone!"

"Jayfeather, I only came here to help you," she told him, giving him a happy look.

"Are you training to be a medicine cat?" Jayfeather asked, narrowing his eyes at her.

"No," she shook her head.

"Then why are you followering me?" Jayfeather asked her again. "Ain't you supposed to be training?"

"No," she shook her head again. "It was Firestar's idea."

"Firestar, huh?" Jayfeather walked away as she followered him. "Well, I guess you can me carrying herbs."

"But I'd already carry it!"

Jayfeather sighed. "Whatever you say, Cinderheart," he murmured.

Ashfur watched them walking together as friends, he knew Jayfeather is a grumpy tom. He took a breath, the branch started to crack when it's breaking apart.

Cinderheart stoop, her ears were moving to hear a noise. "Did you hear that, Jayfeather?"

"What?" he confused.

Then the branch breaks in half as Ashfur was falling, he was screaming as he landed on the ground with his paws.

Jayfeather and Cinderheart gasped as their eyes were wider.

Ashfur gasped back.

Cinderheart blinked her eyes as she was staring at him for a few seconds. "Ashfur.....?"

Oh, StarClan.....

Chapter 10: Jayfeather and Cinderheart

[image]

Ashfur frozed himself as he was staring at Jayfeather, the ThunderClan medicine cat, and Cinderheart, the ThunderClan warrior. Ashfur knew this is happening, he wanted to run away from them, but he can't.

"Ashfur..... you're alive?" Cinderheart blinked her eyes.

"I.... I....." Ashfur stepped back away from them.

"What is it?" Jayfeather asked, trying to see who it is.

"It's Ashfur," Cinderheart told him.

Jayfeather blinked his eyes. "Ashfur!?" he dropped his jaw as he dropped the herbs. "He's alive!? How!?"

"I don't know," Cinderheart meowed, staring at Ashfur's purple collar. "He has a weird collar."

"Weird collar? Like a kittypet?"

Cinderheart shook her head. "No," she meowed. "There are teeth and claws stuck in it.... creepy."

Jayfeather blinked his blind eyes, he felt the fear when he was gasping. ".... BloodClan.....!"

"What?" Cinderheart asked, turning her head around.

"BloodClan," he spoke out. "We were told the tales as kits. The old stories of the battle against BloodClan."

Cinderheart was in shock, stepping away from Ashfur. "BloodClan...." She gasped. "The vicious Clan of rouges led by a

murderous cat called Scourge.... He's a BloodClan cat!?"

"No! I'm not a BloodClan cat!" Ashfur refused, trying to tell them. This collar belongs to Scourge! He gave it to me!"

"Then why do you still keep it?" Cinderheart narrowed her eyes.

"It's because before you all knew that I was being killed, I was being rescued by Scourge," Ashfur told her panicky. "And then I became Scourge's mate."

"What!?" They blinked their eyes.

"Scourge was your..... your.... mate?" Cinderheart was blushing.

Ashfur nodded.

"Should I chase him, Jayfeather?" Cinderheart asked him.

"Yes!" Jayfeather nodded, he knew he was glad that he's gone forever when he's still hate him. "He's a traitor."

"No!" Ashfur shook his head, begging them. "I've changed my mind! I decided to go back to ThunderClan where I belong." Ashfur looked at Jayfeather with an anger face. "Jayfeather, I'm sorry what happened for a moon ago when I took revenge on Squirrelflight after fell in love with Brambleclaw and adopted you guys."

Jayfeather stepped forward. "And?"

"And I'm sorry that I let you die when the forest sent on fire," Ashfur apologized. "But I need to tell you something."

Jayfeather narrowed his blind eyes. "What is it?" he asked.

"Hollyleaf is alive!"

"What!?" They blinked their eyes as they were gasping.

"She's alive...?" Jayfeather blinked. "How did she survived?"

Ashfur looked away from their faces. "Well.... Scourge and I found her in the tunnel, then the strange ginger-and-white named Fallen

Leaves saved her when he heals her."

"Fallen Leaves!?" Jayfeather blinked again.

"Yes!" Ashfur nodded his head. "Hollyleaf lived with Fallen Leaves whike she will never come back."

Jayfeather didn't say a word. His eyes covered in shadows. "Then take me with her," he begged him.

"What?" Cinderheart blinked her eyes. "Jayfeather! You know you can't do that! It's too far away to find her."

"It's not that far away," Ashfur smiled. "I promise."

Cinderheart used her bare teeth to feel like she'll left ThunderClan without Firestar's permission. She has to make a choice to come with Ashfur and Jayfeather and stay in ThunderClan. She took a deep breath with a expression. "Fine! I'll come!" she snapped.

"Then let's go!" Jayfeather ran at Ashfur as he was followering, Cinderheart followered them.

"So, Ashfur?" Jayfeather asked him a question. "Did Hollyleaf joined BloodClan, too?"

Ashfur shook his head. "No," he meowed. "She lives in the tunnel with Fallen Leaves."

"Okay, then," Jayfeather nodded his head.

Cinderheart groaned as she rolled her eyes. *We're gonna get in trouble.....*

Hey, guys! I drawn a picture of Scourge with a gay rainbow, and Ashfur bisexual flag. Well, Ashfur used to tell on love with Squirrelflight, but now turned out to be bisexual when he fell in love with Scourge.

Okay, first of all, Ashfur falls in love with Squirrelflight, Scourge, Hawkfrost, Hollyleaf, and Whitewing. Cause he's bisexual. All I seeing is Hawkfrost and Ashfur were together just like Starkit's Prophecy. Well, it doesn't matter if he's gay or straight. I say he's bisexual. But infant him to be with Scourge. I want him gay, but I drawn bisexual flag. I can't believe I've drawn that for the first time.

Anyway thing is, Scourge is gay and I love it when he's gay. Well, I say he's homosexual. Ashfur and Scourge were my favorite otp. When Scourge grows up, he becomes gay. That's my idea, but our ideas.

So, what do you think of my picture, guys?

Chapter 11: Hollyleaf's Depression

[image]

Scourge went to find Ashfur, he's been looking for him everywhere. He was worried about Ashfur so much, he knew he found out that Hollyleaf had raped him in front of him. But Ashfur thinks he's cheating on him.

I hope Ashfur will be okay, Scourge thought, searching for him. *I can't believe was being raped by Hollyleaf. What would she thinking? Is she being a slut or something? I'm gay! I loved Ashfur!*

He was feeling depress about Ashfur for running away from him. He was worried when he's dead or not. Suddenly, he saw the black she-cat who raped him in front of his lover.

Scourge started to growl at her. "What do you want, Hollyleaf?" he snarled at her.

"I only came here to say sorry for raping you," Hollyleaf apologized. "I.... I felt for you, and then I raped you. Scourge, I'm a horrible cat."

"Good," he rolled his eyes. "You *filthy* slut!"

"Scourge, I'm trying to tell you that.... I had lost my virginity when I was with you," Hollyleaf explained to him, giving him a sad look. "Scourge, I... I had a mate before, and then.... it's my fault to rape you. I'm so sorry, Scourge."

Scourge sighed, using a sad look. "And Ashfur found out that I'm with you," he murmured sadly. "I don't want to hurt Ashfur's feelings. He's my mate, and I love him. And you... you fell in love with me when you raped me. And now you lost your virgin."

Hollyleaf looked down at her paws.

"You mean *nothing* to me," Scourge meowed coldly, his eyes are so cold when he was staring into her gaze.

Hollyleaf sighed, looked up into his cold gaze. "I'm sorry...."

They heard a bushes were moving, they saw the three cats came out of the bushes.

Scourge couldn't believe his own eyes. "Ashfur....?"

"Scourge....?" Ashfur blinked his eyes, the two cats named Jayfeather and Cinderheart were staring at them when their eyes were wider.

"Ashfur!" Scourge ran at him, and so is Ashfur.

"Scourge!" Ashfur cried, he hit hit his chest. He purred him against his neck.

"Oh, Ashfur.... I'm so sorry what happened," Scourge sobbed, licking his forehead. "I promise you, I'll never break your heart again."

Hollyleaf's eyes are wider. "Jayfeather? Cinderheart?"

"Hollyleaf!" Jayfeather hugged her against her chest.

"Jayfeather!" Hollyleaf cried.

"You're alive!" Cinderheart cried, she licked her ear. "Thank StarClan! We thought you were dead!"

"Oh, Hollyleaf," Jayfeather sniffed, almost cry. "I missed you... How did you survived?"

Hollyleaf was blushing, she was smiling at them. "Well, when the rock falls at me, my leg got broken," she explained. "Then Ashfur, Scourge, and Fallen Leaves saved my life when they healed me."

"Wait, Ashfur saved you?" Cinderheart blinked her eyes.

Hollyleaf nodded. "Yes, Scourge and Ashfur saved my life," she told them.

"Wow," Cinderheart exclaimed.

"So," they saw Scourge was stepping forward. "Who are you, anyway?"

"I'm Jayfeather."

"I'm Cinderheart."

"Jayfeather and Cinderheart, huh?" Scourge lookinhbat then like that. "So, are you Hollyleaf's friends?"

"Well, I'm her brother," Jayfeather told him. "By the way, I know you. You're Scourge from the old stories. I heard it from Firestar when he tried to defeat you. Suddenly, Ashfur had stopped him from madness when he was an apprentice."

"I remember that," Scourge pointed out. "I remember when he saved my life."

Flashback

"Stop this!" Ashpaw begged, clawing his face.

Firestar blinked his eyes. "Ashpaw?" he blinked his green eyes. "Wha.... what are you doing?"

"To stopping you!" Ashpaw snapped, he was protecting him from him. "Before you're making yourself mistake!"

"Ashpaw.... that's not right!" Firestar meowed. "He's evil! He killed Tigerstar, remember?"

Ashpaw hissed at him. "And you're going to kill him?" he asked him. "I won't let you kill him. I'm saving him from you!"

Scourge knew Ashpaw had saved him from Firestar. He was standing up weakly, he started to call out his clan. "BloodClan, retreat!" he cried, all the clan cats were stop fighting, then they all running away.

Ashpaw turned around. He saw Scourge was running away from him. He started to followering him. "Scourge, wait!" he begged, he was

stopping him for leaving him before.

Scourge gave him a sad look. "I'm sorry, Ashpaw," he wailed, he was taking a deep breath. "We had to go back to Twolegplace. You and your friends will live on. I'm sorry that we were planning to take over your territory. I guess..... this is good-bye."

Ashpaw started to cry. "Scourge, no!" he wailed, sobbing in front of them. "Please, don't go! I want to be with you!"

"You can't," Scourge murmured sadly. "You belong to ThunderClan, and I belong to BloodClan. I..... I love you, Ashpaw." He pressed his lips against his, they were kissing as their tears streaming down their eyes. They stopped kissing, then Scourge and his Clan went back to Twolegplace.

Ashpaw sobbed. He went back to ThunderClan.

Flashback ends

Ashfur took a deep breath with a sad look. "Scourge...." he called his name. "Do you remember when you left me when I was an apprentice?"

Scourge nodded. "Yes," he murmured. "I remember how you saved my life from Firestar."

"That's what I was talking about," Jayfeather pointed out. "Ashfur saved his life, and then.... you fell in love with Scourge. Am I right?"

"Yep," Cinderheart meowed. "You're right, Jayfeather."

Ashfur looked away from them. "And that's why I used to fell in love with Squirrelflight," he replied.

"And you know why?" Jayfeather snapped at him. "You tried to kill us! And you took revenge on Squirrelflight for using Brambleclaw over you."

"Yeah," Hollyleaf nodded.

"Wait, what?" Cinderheart blinked her eyes. "Ashfur tried to kill you, and took revenge on Squirrelflight?"

Hollyleaf and Jayfeather nodded.

"And I..... killed him alive," Hollyleaf explained, looking down.

"And I saved Ashfur's life," Scourge told them. "After she killed him alive."

"So you ran away?" Cinderheart asked her.

She nodded.

"Enough chat it!" Jayfeather snapped. "Hollyleaf, will you come back to ThunderClan?"

Chapter 12: The Kits' New Beginning

[image]

Hollyleaf stepped back. "I... I can't,"

"Why not?" Jayfeather asked.

Hollyleaf looked down at her paws, giving them expressive. "I'm expecting kits," she murmured.

"What!?" They gasped, blinking their eyes.

"Then.... who's the father?" Ashfur asked panicky, pointing at her.

"It's Scourge's," she murmured.

They gasped, turned their heads at him. Ashfur's eyes were wider. Jayfeather and Cinderheart were gasping.

"Sc... Scourge.... why?" Ashfur asked him.

Scourge sighed angerily. "You know what?" he snapped at every cats. "Hollyleaf raped me when she got herself pregnant. Then are you happy!?"

"You were raped?" Ashfur gasped.

Scourge nodded. "And I can't be a father!"

Jayfeather and Cinderheart were looking at each other with their surprise face.

Ashfur's eyes were wriggling as he started to cry. *Oh, no..... No! This can't be happening to me just like Squirrelflight has Brambleclaw and her foster kits. Not this one again!*

Scourge saw him crying in front of them, Hollyleaf knew this is

happening.

"I'm sorry, Ashfur," Hollyleaf mewed sadly.

"Hollyleaf..." Jayfeather's ears dropped down. "Why? Why did you got yourself expecting kits? Is it because you liked him?"

"He's a murderer!" Cinderheart pointed out, started to get angry at her. "Now what are we going to do? Firestar will find out that we were missing and they are worried and sick!"

"Cinderheart, that's enough!" Jayfeather snapped. "We need to do something about Hollyleaf's kits. She can't go back and I have to deliver her unborn kits."

Cinderheart's tail was lashing as she was panicking, she groaned as she rolled her eyes. "All right!" she agrued. "But first, we need to go back to ThunderClan and then you can deliver her kits, okay?"

Jayfeather nodded. "Of course." He turned around. "Hollyleaf, when your kits were born, we can take you back to ThunderClan."

Hollyleaf nodded.

Jayfeather and Cinderheart gave her a hug to say good-bye, then they went back to ThunderClan. Scourge saw Ashfur was running away again.

"Ashfur!" *Oh, no! Not again!* Scourge chased after him as Ashfur stopped.

"Leave me alone, Scourge!" Ashfur cried. "I want to be alone!"

"No, Ashfur!" Scourge hugged him tightly against his neck. "I don't want you to be alone. I want you to stay with me. And plus, I don't want to be a father! I want to be with you!" He saw him walking away from as he was sobbing in front of him. "Ashfur, wait!" he begged, trying to reach his tail. "Don't go! Please!"

Ashfur didn't say a word, he kept walking away from him as fast as he can.

"Just.... leave me alone, Scourge," he wailed sadly, looking at the ground as his tears streaming down his face. "I don't love you anymore...."

Scourge gasped. "Ashfur, you're lying!" He ran at him then he purred against his neck. "Stop lying to me! There's gonna be away to make you better."

Ashfur started to purred against his face. Scourge licked his face. Ashfur licked him back.

Scourge exhaled sharply. "I can't be a father," he rasped. "I just want to be a cat who I love instead of Hollyleaf who was carrying my kits.... I'm so sorry, Ashfur. Just believe in me."

Ashfur sighed sharply, purring around his chest and his neck.

Hey, guys. It was my ideas of Hollyleaf who is carrying Scourge's kits. It was my idea. Gosh, I write a sad story. Well, I was planning to write a story about Ashfur will adopted Hollyleaf's kits when she gave up on them. I hope you guys like it.

Chapter 13: Ashleykit and Couragekit

[image]

Few moons later, Jayfeather and Cinderheart came back to see Hollyleaf and help her giving birth to her kits. Scourge was sitting here and waiting for the crowd it. He took a deep breath and looked above at the full moon.

"Scourge," Jafeather mowed,came out of the nursery. "Hollyleaf has gave birth to a son and a daughter. You should see them."

"I told you I don't want to be a father!" Scourge snapped.

Jayfeather gave him a smirk. "Yeah you are," he mewed.

Scourge sighed, rolling his eyes. He came into the den and see the two kits wete sucking Hollyleaf's nipples. He felt like he want to see his new born kits, but he doesn't want to.

"Scourge, I want you to meet them," Hollyleaf smiled at them, she looked down at her kits. "This only black she-kit is Ashleykit. I named her after Ashfur. And this little light gray tom-kit with one white paw is Couragekit. He looks just like you."

Scourge gasped, he saw Couragekit was crawling at his paw. *Couragekit looks so handsome,* he thought. *He looks just like me, but.... what about Ashfur?*

"Scourge, will you take care of my kits?" Hollyleaf asked him.

Scourge blinked his icy blue eyes as he stepped back gently at Couragekit. "What?" he asked. "Why?"

"Because I want you and Ashfur to take care of them," Hollyleaf told him, Scourge couldn't believe it. He knew she wanted him to be a father of his kits, and Ashfur could be the adopted father of his kits.

"Really?" Scourge asked her. "I thought you want me to---" he stopped talking, he turned around and saw Ashfur was staring at the kits. "Ashfur?"

He was being too shy to see the kits, he started to step forward at Hollyleaf and Scourge's kits. "Is it true that you wanted me to be a foster father of your kits?" he asked, came here to see his new foster kits.

Hollyleaf nodded.

"But the kits needs a milk," Scourge meowed, looking at them.

"I know," she murmured. "When they old enough, you can take care of them. Ashfur will be much better."

Ashfur nodded happily.

"All right, we'll take care of them," Scourge smiled.

Hollyleaf smiled back. "Thank you."

Here you go, I've made ideas of taking care of Couragekit and Ashleykit. I want Ashfur to be happy. I want him to take care of his foster kits. Scourge and Ashfur are now the parents. 😎

Sorry with that short story, guys!

Chapter 14: Ashfur's Dream

[image]

Ashfur's P.O.V.

I laid on the den beside Scourge, I was rolling around and having a nightmare. When I woke up, I saw someone was staring at me. I stood up and walk toward the strange cat. I saw the strange cat who looks just like.....

Me?

That cat looks just like me. His fur is covered in blood and his eyes are black-blue. Then he started to walk away from me.

"No, wait!" I yowled, I started to run after her, then the forest was changing. I stopped where I was looking around, I saw the familiar place called ThunderClan. I've been there since I was born in the old territory and moved in the new forest. I saw Squirrelflight was flirting with..... me!

That cat was me from the past! Is it a long time ago when I was a young warrior? When I used to fell in love with Squirrelflight?

I saw Squirrelflight was staring at Brambleclaw, I knew it was just a dream.

"Ashfur, I'm sorry," Squirrelflight told him, gave him a sad look. "I... I don't love you."

I saw the real me was confusing. "But... Squirrelflight," he wailed. "I thought we can be together...."

Then Squirrelflight was with Brambleclaw, my old best. *Brambleclaw!* I snarled, I started to claw at Brambleclaw for betraying me, not being my friend no more. We used to be friends when we were apprentices. Then it changed again.

I saw the real me again, then the familiar dark brown tabby tom

came to help the real me for a trap fox. It was Hawkfrost. The real me, or I can call it the other Ashfur, whatever, went on a mission to put a trap on the ground, then Firestar gets trapped around his neck. Then Brambleclaw came to rescue Firestar. I knew Brambleclaw had killed him in front of me. I started to gasp when Hawkfrost's blood coming out of his body when the blood is running. Leafpool, Squirrelflight's sister, had told us about the prophecy. Then it changed again.

I saw Ashfur was mentoring with Lionblaze when he was an apprentice. Then we had a fight when we wete training. I got myself in trouble when Brambleclaw came to stop us. Then it changed again. What on StarClan do my dark side kept showing me this? It's too much!

Then finally..... the fire, the ashes..... I saw the other Ashfur was blocking the branch behind Hollyleaf, Lionblaze, and Jayfeather.

"Enough, Ashfur," Squirrelflight hissed. "Your quarrel is with me. These young cats have done nothing to hurt you. Do what you like with me, but let them out of the fire."

Ashfur, the real me, looked at her in surprise. "You don't understand. This is the only way to make you feel the same pain that you caused me. You tore my heart out when you chose Brambleclaw over me. Anything I did to you would never hurt as much. But your kits..... If you watch them die, then you'll know the pain I felt."

Squirrelflight met his gaze. "Kill them, then. You won't hurt me that way." She took a step away from him, then looked back over her shoulder. "If you really want to hurt me, you'll have to find a better way than that. They are *not* my kits."

I heard them gasping with horrified. One of them were surprising when they didn't know Squirelflight isn't their real mother. Then it changed again.

I saw the evil Ashfur was staring at me, his evil dark blue eyes are stsringbat me.

"Why are you showing me like this?" I asked, I started to cry. "It's too much!"

"**That's because you hurt the one that you loved,**" my dark side told me, smirking at me.

I started to blink my eyes to think of a cat who I ever loved. "You mean Squirrelflight?" I asked.

Ashfur nodded. "**Yes.**" He showed me around and see my family. It's my mother Brindleface, my siblings, and my sister Ferncloud. I had lost my family and my friends, except my sister who nursed her kits.

"My family...." I turned around and see my old friends. "My friends...!"

"**When you ever loved someone, than you should kill them all,**" my dark side told me, started to chuckled.

"No!" I cried, stepping away from them. "I can't! I'm a good person! I don't want to hurt anyone! It's too much! I had a family now! I had a mate and my kits! Just.... leave me alone!"

Then he smirked at me again. "**Then why do you kill the one you loved?**" He asked, pointing down when I looked, I saw my son Couragekit was being abused.

"Please..... no more!" Couragekit cried, begging me to stop.

With a horror, I was figuring it out when I had beat him up. I started to call out his name and telling him I'm sorry I was. I knew he looks just like Squirrelflight and Scourge. I would never hurt my son like that!

Then I woke up, I was breathing as I looked down at my mate Scourge who was sleeping beside me. I took a deep breath, then I closed my eyes and fall asleep again. I hope I'm not having a nightmare again.

Chapter 15: Scourge's Choice

[image]

5 moons later, Couragekit and Ashleykit almost reached their 6 moons. Ashfur and Scourge had raised them by themselves after Hollyleaf had gave up on them. Blood, Gray, and Ashfur came back from patrol. Ashfur had taught Gray how to become a warrior.

"Look, it's Ashfur!" Couragekit pointed out, running toward at them. "They're back! Yes!" He padded at Ashfur's forepaws. "How was it, guys?"

"Boring," Ashfur chuckled at him, gave him a lick. "You guys didn't miss much."

"But we didn't miss that much!" Couragekit squeaked at his foster father. "We only heard of Jayfeather and Cinderheart. Are they from ThunderClan?"

Ashfur nodded. "Of course." He turned around and see Scourge was sleeping in his den by himself. Ashfur poked his head to wake him up. "Scourge, wake up!" he meowed, poked him again.

Scourge woke up and see his face. He yawned as he was stressing. "How's the patrol?" he asked, gave him a smile.

"It was fine," Ashfur told his mate. "We got rabbits, birds, and squirrels."

Scourge chuckled tiredly. "That's fine," he sighed, Ashfur knew he's wore out.

He sat beside him. "Umm... Scourge, I was thinking," he replied. "If they turned 6 moons old, can we..... go back to ThunderClan?"

Scourge sighed. He knew he doesn't decide. "I don't know, Ashfur," he murmured. "Everyone thinks I'm evil or something. I'm scared of the cats who hates me. I can't..... I'm sorry, my love."

"Scourge, it's okay," Ashfur licked his forehead. "No other cats will ever hate you."

Scourge saw Couragekit was running toward at him. "Dad!" he squeaked at him. "You're awake!" He stopped, he saw Scourge was tired.

"Couragekit, please," Scourge exhaled, he padded his forehead. "I'm wore out, son."

"Sorry, dad," he apologized.

"Well, boy?" Scourge asked him. "What are you wanna talk about it?"

"I had a question, dad," Couragekit meowed, staring at his gaze.

"Yes, go on," Scourge nodded his head.

Couragekit took a breath. "Dad, umm... when we turned 6 moons, does it mean we have to go to ThunderClan with Hollyleaf? Does it mean you have to come with us?"

Scourge sighed, looking down and shaking his head. "I don't know," he closed his eye, feeling expressive. "Couragekit, I don't know if I can go to ThunderClan. I'm a..... murderer."

Couragekit's eyes were wider. "You are?" he asked.

He nodded. "Yes, son."

Ashfur snuggled at Scourge. "Oh, come on, Scourge!" he begged, gave him a happy look. "It's the only way can raised our kits by ourselves. We were planning to bring our kits to ThunderClan, so they can be part of them. Please!?"

"I don't know, Ashfur---"

"Pleeeeeeeeaaaaaaassssse!??" Ashfur and Couragekit were begging him, then Scourge started to groaning at loud.

"Okay! Okay!" Scourge snapped. "I'll come!" He fell inti his den and

feeling nervous.

"Yes!" Couragekit exclaimed, leaping at his father. "Thanks, dad! You're the best!" He went back to his sister Ashleykit.

Scourge sighed depressed. "No problem...." he moaned.

Chapter 16: ThunderClan

[image]

Scourge came out of his den and see Ashfur was watching over his kits, well their kits, Hollyleaf's kits. He started to talk to his kits about his decision.

"Ashleykit, Couragekit!" Scourge called out their names. "We need to talk."

"What is it, Daddy?" Ashleykit asked, giving him a happy look.

Scourge sat beside them. "Well, when you two turn 6 moons old, I'll come with Ashfur, Hollyleaf, and you guys." He took a deep breath as his kits kept staring at him. "I don't know if every cat thinks I'm Scourge, the leader of BloodClan. We need to take off our collars, so nobody thinks we're BloodClan cats."

Couragekit stepped closer. "But, Dad," he squeaked. "What if they can smell our scent? Do they think we're still BloodClan?"

Scourge shook his head. "Don't worry, Couragekit," he smiled at his son. "I'll figure it out to get rid of our scent. I'm sure I can help you."

"But how come Ashfur used to be a ThunderClan cat?" Ashleykit asked him a question. "If Ashfur is our father, does it mean we're half-ThunderClan?"

It kept reminded him of Hollyleaf who used to be a ThunderClan cat. He knew they asked him a question if they're half-ThunderClan or half-BloodClan. It kept reminded him when Hollyleaf had raped him in front of Ashfur then got herself pregnant with his two kits. Hollyleaf had gave up on them when she made Ashfur feel better. That's w bad way when they're half-ThunderClan and half-BloodClan.

Then he spoke to them. "Yes," he replied. "Yes, you are."

"Then we're gonna join ThunderClan!" Couragekit was jumping as he leaped at his sister.

"Hey!" Ashleykit hissed. "Watch it!" She started to push him away from herself.

"Okay, that's enough, you two," Scourge chuckled, he gave Ashleykit a lick on her forehead. "Now you two can play now, I'll have to make decisions."

They nodded. They started to play each other as Scourge went back to his den.

XXX

It was night time, the forest was all darkness, Ashleykit went off sneaking to find ThunderClan where Ashfur used to live there. All the cats were being silent, that's because they were sleeping. Except the two guards were guarding their territory. Ashleykit went outside and see the ginger-and-white tabby tom with brown stripes around his pelt.

She started to ask him a question. "Umm... hello?" she asked, giving him attention. He turned around and saw the black she-kit was talking to him. "Excuse me, do you know where Ashfur used to live in ThunderClan?"

Robert pointed the path. "It's right over there where Jayfeather and Cinderheart kept visiting their sister Hollyleaf." He explained to a kitten, then she started to that way where Jayfeather and Cinderheart goes to the path.

Ashleykit had never went by herself before, she's just a kit after all. She looked around and see something. She snuck in the bush and see the cats from ThunderClan.

Ashleykit gasped. "ThunderClan!" she exclaimed, staring at the cats.

There was a scrabble of movement at the far end of the fallen tree, where the prickly nursery walls were just visible. She heard a tortoiseshell she-cat's rose up, high with frustration.

"Cherrykit! You're not going outside with that cough! Molekit, bring your sister back at once!"

Two tiny, fluffed-up shapes burst out of the brambles and scooted across the clearing. The ginger she-kit in front stopped as her little body was racked with coughs, and her cream-and-brown littermate skidded to a halt beside her. "You can't come out to play today," he mewed. "You know what Poppyfrost said."

A tortoiseshell she-cat slid through the wall of the nursery and bent over over the ginger kit. "Come on little one," Poppyfrost murmured. "Back to the nest with you."

"Can't Jayfeather give me some medicine?" pleaded Cherrykit, gazing up her mother with huge amber eyes.

"He said he's run out of yarrow," Poppyfrost explained. "I'm sure he'll find some today, and then you'll feel much better."

Should I help them? Ashleykit thought, still watching Poppyfrost and her kits laid on their den. *If I can help Jayfeather, then I'm gonna---* suddenly, someone was grabbing her as its covered her mouth. When looked up, she saw Hollyleaf.

"Hollyleaf?" Ashleykit blinked her eyes. "What are you doing here?"

Hollyleaf hushed her. "I was watching, too," she whispered.

"But why are you here?" Ashleykit asked quietly.

"Because I wanted to see if they're okay," she told her. Ashleykit started to watch the whole Clan.

XXX

"Cherrykit has stopped coughing! Poppyfrost looks so relieved. She was playing with the kits this morning, teaching them how to pounce on a ball of moss. I remember when Squirrelflight showed us our first pounce...." Hollyleaf trailed off, Ashleykit went with her and meet Fallen Leaves. She never meet the strange cat before, but she's not supposed to talk to strangers.

Ashleykit watched them talking to each other. She started to fall asleep as she closed her eyes. *I hope I'll go back to BloodClan,* she thought.

Chapter 17: Blossomfall and Ivypool

[image]

Ashleykit woke up and heard a voice who was calling her name Hollyleaf. She turned around and saw Fallen Leaves was explaining to her. She stood up and staring at the two cats.

"What's the matter?" Ashleykit asked them a question.

"They are to Clanmates in the tunnel," Fallen Leaves told her.

Ashleykit was confused. "Is it Hollyleaf's?" she asked.

"Well, they're new warriors from ThunderClan," Hollyleaf told her.

ThunderClan!? Ashleykit blinked her eyes, started to feel afraid of something. *Oh, no! Does that mean they're gonna find me!?*

"Come on, Ashkeykit!" Hollyleaf waved her tail at her. "You wanna help me?"

She nodded. "Sure!" She leaped her paws and ready to help Hollyleaf to save her Clanmates.

Ashleykit saw the two cats were looking around. Ashleykit had never met them before. She thinks they're strangers and she all already knew they're ThunderClan cats.

"I wish I'd asked that cat his name," the silver-and-white tabby she-cat was muttering. "We could call for him." There was a pause before she added, "I don't suppose he would have come, anyway."

She must mean Fallen Leaves! Hollyleaf and Ashleykit had the thoughts of their heads.

"How are we gonna get rid of them?" Ashleykit whispered at her ear.

"We're not getting rid of them," she whispered back. "There is no going back, not now!"

Ashleykit looked above at Hollyleaf as she looked back at the two cats. She saw Hollyleaf was doing, she went to help the two warriors. The two warriors ran after her as Ashleykit followed them. She stopped as she hide behind the wall, she watched Hollyleaf was hiding from them as she still watching them.

Wow, she blinked her eyes. *I've never seen her so bravely before.* She saw the two were thanking her for helping them. Suddenly, Ashleykit fell down on the ground as the ethos was being too loud.

Ashleykit gasped as she stepped away from the two she-cats. The silver-and-white tabby she-cat just saw that, she stared at her gaze as she was narrowing her eyes. She gasped again as she stepped back.

"Hey, get back here!" The silver-and-white tabby she-cat begged, trying to reach her.

"Stay away from me!" Ashleykit hissed, trying to claw at her. "I'm not supposed to talk to strangers!"

"We're not strangers," she promised. "We're from ThunderClan. Are you okay?"

Ashleykit didn't reply, stepping away from the two ThunderClan warriors.

"It's okay, don't be afriad," she meowed, stepping close to her. "I'm not gonna hurt you. Are you alone? Do you have a family?"

She's still doesn't reply, she bumped against the wall as she was whimpering and moving away from the two cats.

"Just leave me alone!" Ashleykit hissed again.

"It's okay," the tortoiseshell-and-white she-cat gave her a smile. "We don't want to hurt you. We only came here to help you."

"I'm Ivypool, and this is my friend, Blossomfall," she told her, giving

her interesting.

Ashleykit stopped. "Umm.... I'm Ashleykit," she told them. "I'm not supposed to talk to strangers."

"Ashleykit?" Ivypool blinked her eyes. "Are you from the Clan?"

"I'm from BloodClan," Ashleykit told her.

She frozed, stop talking to her. She can feel the heart was beating so fast. "BloodClan.....?"

Ashleykit nodded. "Yes, and I'm the daughter of Scourge and Ashfur," she explained.

"Ashfur!?" Blossomfall blinked her eyes. "He's alive? How did he survived?"

Ashleykit looked away from them. "I.... I don't know," she murmured. "They never told me...."

"Wait!" Ivypool's eyes were wider as she stepped back. "You mean.... they're..... gay?"

She nodded. "Please don't mad at me," she begged.

"No, I'm not," Ivypool shook her head. "Say, umm, would you like to come with and talk to Firestar how he survived?"

I had a chance! Ashleykit started to smirk at them and started to nod her head. "Yes, please."

Ivypool started to use her jaw to pick Ashleykit up as she was carrying her around.

"You know, Firestar ain't gonna love it," Blossomfall complained.

"I know," she murmured.

Hollyleaf just saw that with a gasping. *Oh, no,* she thought, making herself concern. *Scourge and Ashfur ain't gonna love it, too.*

Chapter 18: Ashfur's Panic attack

[image]

"Scourge! Ashfur!" Couragekit cried out their names. They woke and saw Couragekit was panicking, they had no idea what's going.

"What's wrong?" Scourge asked, yawning.

"I think Ashleykit went missing," Couragekit explained to them, then Ashfur started to blink his eyes.

"What?...." Ashfur's eyes are wriggling as he started to scream in front of his kin. "NOOOOOOOOOOOOOO!"

"What!?" Scourge blinked, he stood up so fast then he came out of the den. "Ashleykit?" He went searching for his daughter as he was panicking. "Ashleykit!" All the cat's were waking up and saw Scourge was panicking.

Gray just showed up. "What's wrong, Scourge?" he asked, he looks all grown up now. He wore his blue collar for now.

"My daughter went missing!" Scourge panicked. "Call out for the rescue party!"

Gray nodded. "Right away, Scourge!" He ran to his Clanmates and call out for a patrol. All the cats were coming out of their dens and ready detach for Ashleykit. Blood and Robert came back and see what was going on.

"What's going on?" Blood asked.

"Ashleykit went missing, Dad," Gray told his father.

Blood blinked his eyes. "Already!?"

He nodded. Blood and Robert went to the rescue party with them.

Scourge watched them searching for his daughter Ashleykit. Scourge went back to his den and see Ashfur was paranoia.

"Ashfur.....?" Scourge padded his mate's shoulder, Ashfur kept moving around and he knew he's having a panic attack. "Are you okay? You look.... paralyzed."

Ashfur didn't say a word as he was moving around and panicking attack. Scourge knew he was wanting Ashleykit back as he was insane.

"I'll leave you alone," Scourge licked his forehead and leaving him in the den.

Scourge was feeling anixety as he can feel his stomach rumbling. *I knew he was paranoia,* he told her himself. *I need to find Ashleykit! She can't be leaving! She's 5 moons old!*

"Scourge!" It was Hollyleaf, calling out his name.

"What do you want, Hollyleaf?" Scourge asked, narrowing his icy blue eyes.

"I know where Ashleykit went," Hollyleaf explained.

"Really?" Scourge gasped, holding her paw. "What is she?"

"They took her to ThunderClan," Hollyleaf told him.

He blinked his eyes as he was surprised. "What!?" he snapped. "Then why did you stop her?"

"I can't," Hollyleaf snapped back. "I can't go back to ThunderClan like that. I can't save our daughter when they took her to ThunderClan."

Scourge used his bare teeth and he started to growl at her. "You fucking coward!" he argued. "You always lived in the tunnel with Fallen Leaves, huh? After you raped me? After you got yourself expecting? I wish I can murder you when you let our daughter go!"

"Scourge, I'm sorry," she argued back, pointing it out. "Everyone

thinks I'm alive, but Jayfeather and Cinderheart had found out that I'm alive. I can't go back to ThunderClan." She started to walk away from him.

Scourge sighed sharply. *I can't believe they took her to ThunderClan! I Now we have to go ThunderClan. My kits are still 5 moons and we are ready to go.*

A/N: My Ideas of Ashleykit's Future

[image]

Hey, guys! It's XxHigurashiRikaxX! Today I wanted to tell you something about my ideas.

I had an ideas of Ashleykit when she grows up, she could have a mate with Robert and had a daughter Fire. I want her warrior nane to be Ashleyleaf. She was being named after her mother and her grandmother Leafpool.

I had ideas of Ashleykit when she has a dream of the Dark Forest and new mentor with Tigerstar. It's my ideas, anyway.

Heck, Ashfur and Scourge gets worried about their daughter, and Couragekit wants her back.

Ashleykit gets refuse when she joins The Dark Forest with Ivypool and Blossomfall. Let's say if it's your favorite OTP characters, you can ship it. I know Ivypool had a family, now. She has Fernsong, and her three kits. Well.... they're cousins.

This is bad...

Ashleykit will be a ThunderClan cat just like her mother Hollyleaf. When she turned into an apprentice, she'll find out that Hollyleaf was her real mother.

I hope you guys like it!

Peace!✌

Ivypool and Blossomfall brought her to their Clan, Ashleykit had accepted thrm to join ThunderClan. They cane out of the bush and see all the Clanmates.

"Wooooooow!" Ashleykit exclaimed. She was looking at them cats. She recognized a tortoiseshell she-cat was playing with her kits. She turned around and saw the familiar gray tabby tom was mixing the medicines.

Is that Jayfeather? She blinked her eyes, she started to go talk to the blind cat.

"Umm... hello?" Ashleykit called out his name. The blind cat turned around and saw the black she-kit was staring at him.

"Ashleykit?" Jayfeather blinked his eyes. "What are you doing here?"

"I.... those two cats let me join ThunderClan," Ashleykit told him. "Do you know who I am?"

"I already know you," Jayfeather murmured, mixing the yarrows. "You're Scourge's daughter. Come with me in my den."

Ashleykit nodded. She came and see the paralyzed she-cat was laying on her den. The brown she-cat looked at her as Ashleykit stared at her.

"Who's she?" Ashleykit asked.

"This is Briarlight," Jayfeather explained, pointed at her with his tail.

"What happened to her?" she asked the blind cat.

"She got hit by the tree when she got paralyzed," he told her.

Poor thing, she thought, she turned around and see Jayfeather was putting the herbs and yarrows away.

"So, what if your leader finds out about me?" Ashleykit asked, she was feeling nervous.

"Well, Firestar will ask you where you come," Jayfeather muttered.

"But what if he thinks I'm a BloodClan cat?" she asked nervously.

"Don't worry about it," Jayfeather promised. "Firestar thinks you're just a kit."

"Jayfeather!" The flamed-ginger tom came in and see him talking to the black she-kit.

"Uh-oh...." Ashleykit gulped.

"Firestar," he blinked his blind eyes.

"Jayfeather who's that kit?" Firestar asked, pointing at her.

"This is Ashleykit," he told the ThunderClan leader. "She's a rouge. I saw Ivypool and Blossomfall brought her to our territory."

"Really?" Firestar asked, gleaming his green eyes.

Jayfeather nodded his head. They saw Ashleykit was stepping forward at the leader.

"I'm sorry that I came in your territory," she apologized, looking down at her paws. "I just.... want Ed to be a ThunderClan warrior just like Ashfur."

"Ashfur!?" He blinked his eyes, his stepped back as his eyes were wriggling. "He's.... alive? How did he survived?"

She looked away. "Well... They don't tell me anything," she replied. "You see, Scourge and Ashfur were my parents..."

"What!?" Firestar gasped.

"Ashleykit, what are you doing?" Jayfeather whispered at her,

snapping at her.

"It was an accident," she snapped back, staring into Firestar's gaze.

Firestar started to wriggle his eyes as he can feel his heart was beating so fast. "Scourge, the leader of BloodClan, is your father?" he asked. "And Ashfur is your father, too? Are they.... homo?"

She nodded, nervously. "Are you angry at me?" she asked. "Are you gonna kick me out?"

Flashback

"Stop this!" Ashpaw begged, clawing his face.

Firestar blinked his eyes. "Ashpaw?" he blinked his green eyes. "Wha.... what are you doing?"

"To stopping you!" Ashpaw snapped, he was protecting him from him. "Before you're making yourself mistake!"

"Ashpaw.... that's not right!" Firestar meowed. "He's evil! He killed Tigerstar, remember?"

Ashpaw hissed at him. "And you're going to kill him?" he asked him. "I won't let you kill him. I'm saving him from you!"

Scourge knew Ashpaw had saved him from Firestar. He was standing up weakly, he started to call out his clan. "BloodClan, retreat!" he cried, all the clan cats were stop fighting, then they all running away.

Flashback

Firestar shook his head. "No," he murmured. "You can stay in my Clan, so I'll let Poppyfrost takes care of you."

"Okay," she muttered. Firestar was taking her to the nursery and meet Poppyfrost and her kits. Ashleykit gulped as she waved at them.

"Umm..." She calmed herself down, she took a deep breath and let it out. "Hi, my name is Ashleykit."

She saw her giving her a smile. "Hello, there," she meowed gently. "I'm Poppyfrost. May I help you?"

Firestar stepped forward. "I want you to take care of Ashleykit," he ordered. "I'm sure she'll turn 6 moons just like your kits."

Poppyfrost nodded. She let Ashleykit to play with her kits Molekit and Cherrykit. But she had a brother Couragekit. What of she missed them? What if she doesn't want to? However, she laid beside them and fall asleep.

I can't wait to become a warrior, she thought, closing her eyes and then she fall asleep.

Ashleykit opened her eyes and see the strange place. She stood up and looking around. She started to walk around in the forest. She heard a strange noise from the forest. She started to go and see the darkness. Ashleykit turned around and saw the strange huge tabby tom was staring at her he was laying on the tree branch.

Ashleykit gasped. "Who.... who are you?" she asked nervously.

She saw him giving her a smirk. "Why I am Tigerstar," he told her, staring down at her. "The former leader of ShadowClan. And you must be Ashleykit."

She blinked her eyes, she started to step away from him. "How do you know my name?" she asked.

Tigerstar float in the air as he landed on the ground with his paws, he was standing behind her. She bumped him, she turned around and saw him smirking her with his bare teeth. "I watched you since the day you were born," he explained. "You look just like your father Scourge, and, oh! So is.... your *mother*."

Ashleykit blinked her eyes. "My mother?" she was confused. "But..... Ashfur is my mother. He's the one who gave birth to me."

"Fool, Ashfur and that traitor Scourge lied to you since the day you were born," Tigerstar chuckled, he was smirking at her, still. "Your

real mother is *Hollyleaf."*

"What!?" Ashleykit blinked her green eyes. "But... Ashfur cares about me. And why Hollyleaf?"

"Because your father was being raped by Hollyleaf then she got herself pregnant with you and your brother," Tigerstar explained, making her depressive. "Then she gave up you and Ashfur raised you as a 'gay-mother cat'. Ashfur is a tom. Tom don't gave birth to kits."

Ashleykit's eyes were wriggling. *Why?* She asked herself. *Why did they lied to me?*

"Now," he touched her with his tail around her shoulders. "Would you like to join us? I really need your help to fight Firestar. I can train you when you turned into an apprentice."

What choice do I have? Ashleykit was refusing, shaking her head. She was closing her eyes to think about her family who had lied to her and her brother. When she opened them, she started to speak to him. "Yes," she meowed, looked down at her paws. "I'll go."

"Very good," he padded her. "Come with me if you dare." He went to the Dark Forest, she started to follow him as she looked back at the field. She used her bare teeth to feel like she will learn how to become a warrior. *I can't believe they lied to me! This time! They will pay after they lied to me.* Then she went to the Dark Forest with Tigerstar. What will happen to her?

Chapter 20: Going to ThunderClan

[image]

"Okay, guys," Scourge gathered up with his Clanmates, all the cats were gathering as they were looking above at the leader. "My mate, my son, Hollyleaf, and I are going to ThunderClan to save Ashleykit. I don't know if we can stay in ThunderClan. We were planning to take our collars off and pretend to be rouges."

All the cats were murmuring, they were looking at each other as they were worrying about their Clan leader.

"But what if they noticed you as the murderer, Scourge?" Gray asked, staring at his cold gaze.

"Then we had to hide our scent," Scourge murmured, so then he went back to his den and talk to his mate, his son, and his friend Hollyleaf.

"Well, Scourge?" Hollyleaf asked, giving him a worry look.

"I guess today is the big day that Couragekit has to go to ThunderClan," he muttered, looking away from her face. "I don't know if they noticed me."

"Then you had to change your name," meowed Hollyleaf, giving him a smile.

Scourge took a deep breath. "Alright, my real name is Tiny," he told the black she-cat. "I'll call myself Tiny when I'm a rouge."

"Tiny?" Hollyleaf gleamed her green eyes. "Your real name is Tiny?"

He nodded his head.

"Then pretend to be a rouge," Hollyleaf smiled. "Take off your collar and be a rouge, so nobody notices you."

Scourge smiled back. "Thanks, Hollyleaf."

"No problem."

Ashfur just saw it, he shoved them away from each other as he was giving them attention. "Ahem!" he snapped, gave them a jealous look. "Are we ready or not?"

Hollyleaf nodded. "Yes, we are ready."

Ashfur smiled. He went to go see if Couragekit was here in his den. The little light gray tom came out of the den and see Ashfur was waiting for him. He saw his foster father taking off his collar.

"Ashfur?"

"Yes?" He turned his head at his son. "What is it?"

"Umm.... do you think Ashleykit will be all right if she's still in ThunderClan territory?" Couragekit asked him a question, he gave him a curious look.

He nodded, he's still feeling nervous about his foster daughter was living with ThunderClan. He still thinmking about his dream how he had beat Couragekit up, but he would never do that to his son. He's still think he looks just like Squirrelflight. What if he wants to see Squirrelflight again? Will he say sorry after what happened from the past? After he took revenge on Squirrelflight for using Brambleclaw over him? Then he will go see Squirrelflight when he was the undead Ashfur. Every cat will think Ashfur is the undead cat, but maybe not. Everyone thinks he's still alive.

"Yes, Couragekit," he promised. "She's alright. I'm sure ThunderClan takes good care if her when we get there."

Couragekit stood up and see Scourge was taking off his collar. They knew he was ready. They saw Scourge was talking to Blood.

"Blood," Scourge meowed. "I want you to protect our Clan from trouble, got it?"

Blood nodded. "Yes, sir." Then he went on his duty to protect his

Clan.

Ashfur saw Robert was staring at him with a cold gaze. He started to go talk to him. "Robert?"

"Yes?" Robert asked, gave him a narrowing eyes. He knew he looks wore out.

"I had a question for you," Ashfur sat beside him.

Robert nodded his head. "Go on," he purred.

"Why are you trying to let Scourge go when we went to the patrol for few moons ago?" Ashfur asked him a question.

Robert didn't say a word, looking away from his face.

"Robert?" Ashfur padded him. *Something's not right. I think he tried to kill Scourge.* He started to narrowed his dark blue eyes at him. "Are you trying to kill Scourge?"

"No," he snapped. "Why would I do such thing?"

"Because I just saw that," he snapped back. "I saw what you're doing. You wanted to kill Scourge when you tried to let him go. Is that what you were planning to do?"

"SHUT UP!" Robert clawed his face, all the cats just saw that. Scourge came here for a fight as he pinned him down and gave him a pain, he clawed Robert's cheek.

"Leave him alone!" Scourge yowled. "If you *ever* tried to kill Ashfur again, I'll fucking kill you!"

Robert started to laugh like a manic as all the cats were watching them have a fight. "You think you want to kill me, don't you?" he sneered evilly, giving him a manic look. "Well, that's too bad for a weaklings. Why care for a weakling like you!? You used to be something to fear! You used to have ice in your veins! But that's all melted! You are a coward here, Scourge! You killed my father! You should make him as your deputy!"

All the cat's were murmuring when there's something strange about Scourge who was being a hero, except Ashfur, Hollyleaf, Blood, Gray, and Couragekit who wasn't murmuring. All five of them were staring at their BloodClan leader.

"Shut up....." he wailed whisperly, closing his eyes as he opened them to feel depressive. "Shut up, shut up, shut up, SHUT UP!" Then he clawed Robert's broad shoulder as he was screaming in pain. All the cats were surprising as they were watching Scourge tearing him apart. Robert is still alive when he bleed out to death.

Scourge pinned Robert down again as he was growling at him. "LOOK WHAT YOU MADE ME DO!" he yelled at his face.

Ashfur felt scarred as he was protecting Couragekit from seeing violence. Scourge just saw that, he knew Couragekit had never heard him yelling before. Couragekit felt scared when hide behind Ashfur. Scourge looked back at Robert as he met him go. Robert grunted to feel the pain.

"Robert," he meowed quietly, gave him a sad look. "The only reason I keep you and your father here is because you could be a strong asset to me." He started to use his cold gaze narrowing at him. "But I won't take disloyalty."

"I'm loyal, sir," Robert growled.

They didn't say a word, then Scourge went back to his Clanmates. All the cats were muttering as they don't disagree with Scourge. They started to have an agreement with Robert who could be a leader one day.

"Are you okay, Ashfur?" Hollyleaf asked.

He nodded. "Yeah, I'm fine."

"Then let's go get Ashleykit back," Scourge murmured, he saw his Clanmates were murmuring and staring at them as they are ready to go to ThunderClan territory to see Ashleykit again.

Chapter 21: Training Begins

[image]

Ashleykit fell asleep as she was ready to join the training, she saw Ivypool, Tigerheart, Breezepelt, Blossomfall, and all rest of the Clanmates. She blinked her eyes as she saw the ghost cats were coming out of the bushes as Tigerstar jumped on the rock hill.

Tigerstar! Ashleykit blinked her eyes as she was looking around at the cats. *But why am I here?*

She saw Ivypool stepping toward at her. "Are you ready to become an apprentice when Tigerstar can train you?"

What? I'm just a kit! Does it mean I'm new here in the Dark Forest? Ashleykit just saw Tigerstar was calling out her name, ordered her to come here. Ashleykit stepped forward at the huge tabby tom.

"Yes?" she asked nervously.

"So, Ashleykit," he mewed, giving her a smirk. "Are you ready to tell us why Scourge had lied to you?"

She gulped as she was nodding her head. She turned around and saw all the cats were waiting for her to talk. "Well... umm... I wanted to tell you about my father Scourge, the leader of BloodClan, had lied to me about my real mother. So then.... I'm, umm.... I...." She turned around as she was all sweating, she turned around and look above at Tigerstar.

"Go on, Ashleykit," he smirked at her, she started to blushing in front of her Clanmates.

She turned back and continuing telling them about her hatred. "All I ever wanted to talk revenge on my father who lied to me about my real mother!" She started to feel anger as she was yelling at them. "Ashfur and Scourge are gay! Ashfur is not the real mother. He didn't gave birth to me! It was Hollyleaf! She gave up on me and my

brother Couragekit and Ashfur raised as I thought he was my mother!"

All the cats were surprised, Ashleykit felt anger as she was huffing and puffing. She looked up into their eyes as they were murmuring.

"Ashfur?"

"But he's dead!"

"How did he survive?"

"I don't know!"

Ashleykit felt her lungs and her stomach are hurting ad she can feel her inside was burning her. She pinned herself down against her belly and using her ears down.

I'm in trouble ...

Tigerstar leaped at his paws and he padded Ashleykit. "Very good," he stroked her back as she was blushing. "You know, your father, Scourge, had killed me for a few moons ago when I took over their territory. He betrayed me when he had killed me. And now you're the only one who can help us."

"But I'm just a kit," Ashleykit mewed, staring at Tigerstar's cold gaze. "I'm not even an apprentice yet."

"Then perhaps we can train you when you turn 6 moons old," he told her, pointing at the cats. "When you're an apprentice, your training will be begin."

She nodded. "Yes, sir."

XXX

Ashleykit woke up with a wide eyes, she saw Cherrykit was waking her up and saying, "Wake up, Ashleykit!" she exclaimed, tapping her forehead. "Today is the day we're coming an apprentices!"

She gleamed her green eyes, she knew Tigerstar had told her about

her age when she turned 6 moons old, she'll be training with the Dark Forest. She stood up and ready to become an apprentice.

I guess this is it, she thought. *I guess I'm ready to becomean apprentice when I'm enjoying the Dark Forest.*

She heard Firestar was calling out for a Clan meeting as she gathered up with her foster littermates.

"Today is the day that the three apprentices had reached their 6 moons," he looked down at the black she-cat was stsringbat his green gaze. "Ashleykit, step forward."

She took a step forward at the Clan leader as she's still looking above.

"Ashleykit, from this day on you will be known as Ashleypaw," he continued, he turned around and see the dark ginger she-cat was sitting next to her mate. "Squirrelflight."

She saw the dark ginger was stepping toward at her, she gleamed her eyes as she was staring at her. *Squirrelflight...!* She blinked her eyes as she shook her head. *Is that a she-cat what Ashfur was talking about when I was a baby kitten?*

"You will be mentor with Ashleypaw," he replied, still continuing. "I understand that you can train this apprentice."

Squirrelflight nodded, smiling. She gave Ashleypaw a lick on her forehead. "Hello, little one, I'm Squirrelflight," she smiled. "And you must be Ashleypaw."

She looks nice when she talks to me, Ashleypaw stared at her gaze. "Umm... It's nice to meet you, Squirrelflight."

"Ashleypaw! Ashleypaw! Ashleypaw!" All the cats were calling her name as Ashleypaw was looking around at her Clanmates before Firestar had the two kits their apprentices names, Molepaw and Cherrypaw.

XXX

A

fter she became an apprentice, Ashleypaw has a dream again. She came back to see Tigerstar and all of his friends. Her Clanmates knew she had became an apprentice when Ashleypaw was ready to be one of Tigerstar's apprentices.

She swallowed as she took a deep breath. "I had become an apprentice, Tigerstar," she told him. "And I am ready to be learn."

Tigerstar chucked as he was smirking at her. "Very good, Ashleypaw," he purred, he came down off the rock hill as he was using his tail against her back and stroking her back. "Now it is time for you to kill a cat you were truly hate."

What? She turned around and saw the strange cat was waiting for her to kill. It looks like that cat was committing suicide when the strange cat begs her to do it.

"But why would I hate, Tigerstar?" Ashleypaw asked, turning her head at Tigerstar's face. "I'd never hate every cats. They're so nice and soft to me."

"Then do not trust them," Tigerstar gave her a growl. "Scourge had killed every cats who he truly hate. That's why you're gonna be just like your father, Ashleypaw."

She stared at the strange cat who's still begging her to kill him. But she thinks that wrong. She had never kill cats before. Her father, Scourge, had killed a lots of cats when he used to be evil. But he's still evil when he likes to kill cats. Ashfur had gave him love when he became a hero.

Ashleypaw shook her head, couldn't do it. "I.. I can't kill a cat, Tigerstar," she refused. "This is wrong.... I've never kill cats before. I would never do such thing."

Tigerstar narrowed his eyes. "You are a coward," he growled. "If you don't do it, then I'll do it myself."

Then do it! Ashleypaw closing her eyes, feeling depression as she was refusing. *I can't do it! I can't kill cats! I'm too young to kill cats!*

This is wrong! All wrong!

All the cats were staring at her as Ashleypaw is still refusing when she pinned herself down against her belly, holding her head and refusing in front of her Clanmates. Suddenly, she opened her eyes and started to kill a cat. Suddenly, she opened her green eyee and standing up like a warrior. She screamed as she ran toward the strange cat. She slashed his throat inside his neck, the blood are splashing at Ashleypaw's pelt. She was covered in blood when she watched the strange cat fell in the ground. Then finally, this cat died of being murdered by Ashleypaw, the daughter of Scourge.

I.... killed him. I killed him..... What have I done? Ashleypaw can feel her tears streaming down her eyes as she started to cry. All the cats were watching her cry in front of them.

"Stop crying!" Thistleclaw, Tigerstar's former mentor, ordered her. "No weaklings can cry! You're one of us, Ashleypaw!"

"And why did I just kill the cat!?" Ashleypaw yowled at him, sobbing in front of them. "Am I gonna be a murderer just like Scourge!? Why should I being a murderer!?"

The tortoiseshell she-cat named Mapleshade have her a smirk when she stroke her back. "Because, Ashleypaw," she replied. "This is your first kill when it is your revenge just like ours."

Ashleypaw stopped crying, her tears are done streaming down her face. "But... Is it supposed to be training to be a good warrior?" she asked sadly.

"Then be one of us," Tigerstar smirked, sitting next to her. "If you are very depress and very angry about Scourge's secret, then be one of us. You will reach out the truth when Scourge had kept the secret from you and your brother."

She took a breath as she was nodding her head to say, "Yes," she sighed. "I'll do it."

All the cats were smirking at her as Ashleypaw was looking around at the cats. They knew she's one of them, now.

How am I supposed to do? She felt guilty of having revenge on Scourge. She looked down at her bloody foot as she felt like a monster. *I wish somebody can save me from this Dark Forest. I'm killing everyone!*

Chapter 22: Ivypool and Dovewing

[image]

A moon passed. Scourge, Ashfur, Hollyleaf, and Couragekit went to see Fallen Leaves.

"Hey, Fallen Leave--"

Fallen Leaves held up his tail to silence them. "There are cats in the tunnels. Something bad is happening." He whipped around and headed into the tunnel that led eventually to the moor.

Ashfur, Scourge, Hollyleaf, and Couragekit saw the the tortoiseshell-and-white tom was saying.

"Who is that cat?" Scourge asked, pointing at the tortoiseshell-and-white tom.

Hollyleaf blinked her eyes. "It's Sol!" she whispered, pointing at him. In front of her, Fallen Leaves stopped. The conversation traveled clearly along the tunnel.

"This is your chance for true glory!" Sol was saying. "Onestar may want peace, but that is a sigh of weakness! Attack ThunderClan through the tunnels, and victory will be easy over those mouse-munching idiots!"

"Sol's right!" called another cat; Hollyleaf was sure it was. Owlwhisker. "We've listened to Onestar for too long. He should let us fight now, do what we've trained for, and teach those ThunderClan cats that were stronger than they think!"

"What?" Scourge was confused, he looked at Hollyleaf 's fur stood on end. Her Clanmates were going to be attacked! She couldn't let this happen! Beside them, Fallen Leaves stiffened.

"There are other cats down here," he breathed into Hollyleaf's ear.

Very carefully, they turned and sniffed in the air. Ashfur was protecting Couragekit from danger. Two ThunderClan cats were standing in a side tunnel, just around the corner. Hollyleaf inhaled again until she could identify the scents: Ivypool and her sister, Dovewing. She started to pad toward them as Scourge, Ashfur and Couragekit followed her, then stopped as there was a hiss from the WindClan cats.

"Did anyone hear a noise?" growled a warrior.

Fallen Leaves put his mouth close to Hollyleaf's ear. "You have to get them out of here. Your whole Clan needs you now. If WindClan is going to attack through the tunnels, you are the only one who can help them."

Hollyleaf looked at her friend. "It's time, isn't it?" she meowed softly.

Fallen Leaves nodded. "Go well," he murmured. "I will never forget you, Hollyleaf."

At that moment, there was a cracking noise from the side tunnel, nothing more than a pebble slipping underneath a paw, but echoed and magnified by the stone walls until it sounded as loud as thunder.

"What was that?" Owlwhisker growled. "Is some cat eavesdropping on us?"

They began to creep toward the thicker shadows where her Clanmates were hiding.

"Get us out of here!" they heard Ivypool whisper.

"I followed the voices to get here," Dovewing replied. "I'm not sure of the way out."

Behind them, they heard the WindClan cats stirring. It sounded if more than one was coming to investigate.

Ivypool had heard them too. "They're coming to look for us! We have to go."

Scourge started to say something to Dovewing and Ivypool.

"Scourge!" Ashfur whispered, protecting Couragekit from danger. "What are you doing?"

Scourge leaped his paws at them, making them shriek. He gave them a smirk. "Hi," he meowed.

"Scourge!" Hollyleaf hissed quietly, running after him. "What are you doing?"

Ivypool started to growl at them. "Who are you?" she growled at him.

Hollyleaf walked inti the side tunnel and felt the air tingle as Dovewing and Ivypool tensed, ready to defend themselves.

"Come with us," she ordered inti the darkness. "Quick!"

"No way!" Ivypool hissed. "You could be with them just like that small black tom."

"Hey, fuck you!" Scourge snarled at her.

"Scourge!" Ashfur snapped at him, coming out of the darkness.

Ivypool and Dovewing couldn't believe in their eyes as they opened their jaws.

"Ashfur?" Ivypool blinked her dark blue eyes just like Ashfur's. "You're alive?"

"Of course I am!" Ashfur smiled, standing for himself. "And I'm going back to ThunderClan!"

"Whoa, whoa, whoa!" the silver-and-white tabby she-cat was shaking her head. "Please don't tell me you're undead!"

"I'm still alive," he rolled his eyes, smirking at the two she-cats. "I'm

not just a undead cat. Scourge saved my life from Hollyleaf when she left me for dead."

Dovewing gasped, dropping her ears down. "You mean.... the must evil cat who took over our old territory is..... Scourge, the leader of BloodClan?"

Ashfur nodded.

"Ashfur!" Scourge snapped, started to hit him.

"Stay back!" Ivypool snarled, protecting herself and Ashfur. "Don't hurt Ashfur!"

"No!" Ashfur pushed Ivypool away from his mate. "Don't hurt him! He's changed! He's not a killer, anymore. I was the only one who made him loveable. He's my mate!"

"Your mate?" Dovewing and Ivypool looked at each other.

"For Starclan's sake!" Hollyleaf snapped. "Stop talking! They'll hear us!"

In the faintest gleam of starlight filtering from the rivercave, Hollyleaf saw Ivypool's eyes widen as she exchanged a glance with her sister. "StarClan?" Ivypool echoed. "Then you-"

"Do you want to get out of here or not?" Hollyleaf interrupted.

"Yes, we do," Ivypool snapped back. "But how do we know you won't lead us farther in?"

"Because I'm a ThunderClan cat like you," she meowed, raising her voice over pounding of her heart. "My name is Hollyleaf." She turned her head at them. "This is Scourge, this is his son Couragekit, and this is Ashfur like you know him already."

"Hi," Scourge waved at them.

"I'm Dovewing," she smiled at them.

"I'm Ivypool," she rolled her eyes.

Scourge stepped forward. "Say, do you know about my daughter Ashleykit?" he asked worrily. "Her fur is black just like hers. Do you see her."

Ivypool popped our her mind as Dovewing started to talk to them. "Yes!" she nodded. "I know your daughter Ashleypaw! She had joined ThunderClan and becoming an apprentice. I'll take you guys to ThunderClan."

They nodded.

"No time for this!" Hollyleaf snapped, looking at the cats who were coming. "Come on!" Then Hollyleaf and her friends were helping Ivypool and Dovewing free.

They ran in the tunnel, Ashfur was carrying Couragekit with his jaw. When they were hitting the bright light, they are finally free.

"We did it!" Couragekit squeaked, he put his foster son down. "Now we're going to see Ashleykit-- I mean, Ashleypaw!"

Ivypool looked at the little light gray tom. "Say, how would is your kit, Scourge?" she asked him a question.

Scourge rolled his eyes. "He's like 6 moons old," he murmured. "Do you think you can train him?"

"We'll take him to ThunderClan," she smirked. "I'm sure Firestar will appoint him."

Couragekit walk toward at his father, giving him a happy look. Scourge smiled back, he's still walking with his Clanmates.

Suddenly they heard someone was calling their names, it was the golden tabby tom who was looking for Dovewing and Ivypool.

"Who's that?" Scourge asked, poinhting at the golden tabby tom.

"Why, it's Lionblaze," Dovewing smiled.

"Lionblaze?" Scourge was confused.

Ashfur used his mouth at his ear. "Lionblaze is my former apprentice," he whispered. "I used to train him."

"Do you think Lionblaze thinks you're alive?" Scourge asked him a question.

He nodded.

Lionblaze stopped. He saw his sister was standing there with her friends. "Hollyleaf?" He started to ran at her. "Hollyleaf, you're alive!" He gave her hug against her shoulder. "We thought you were dead! How did you survived?"

Hollyleaf smirked at him. "Ask them," she replied, she pointed at Ashfur and Scourge.

Lionblaze's eyes are widen. "Scourge? Ashfur? You two are alive!?"

Scourge swallowed, he was hiding behind Ashfur. *This is not good.....*

Chapter 23: The Truth

[image]

"Scourge?" Lionblaze blinked his eyes. "Ashfur? You two are alive?"

Ivypool stepped forward at the golden tabby tom. "Lionblaze, don't you remember?" she asked, staring at his gaze. "Remember when Longtail and Mousefur tells us a story when Ashfur saved Scourge from Firestar when he was an apprentice? After they told you a story, and then they told us a story."

Lionblaze gasped, gleaming his eyes as he was stepping away from them. "No way....." he gulped. "So are you telling that Scourge is still alive?"

They nodded. Lionblaze saw Ashfur was staring at him.

"But, first of all, why is Ashfur still alive?" Lionblaze asked, pointing at him. "How did he survive?"

Ashfur smiled, stepping close to him. "Well, you see, Lionblaze," he looked back at his mate as Couragekit was hiding Scourge's back. "Scourge found me dead in the river, then he brought me to his Clan, then I joined his Clan."

"What!?" He blinked his eyes, he felt so surprise what Ashfur was talking about. "Are you a BloodClan cat now?"

Ashfur nodded, smiling.

"But what about Hollyleaf?" Lionblaze asked them again. "How did you found her?"

Scourge chuckled. "We found her in the tunnel when she was injured, so then we became friends."

"You mean she's a BloodClan cat, too?"

Hollyleaf shook her head, felt embarrassed. "It's not what do you

think am I," she smiled. "I lived in the tunnel while I went to visit them."

Scourge rolled his icy blue eyes. "Whatever you say, Hollyleaf," he murmured.

"I didn't expected that you had friends," Dovewing was curious, gleaming her eyes.

"Well, we were friends," Ashfur smiled, turning his eyes.

"But Ashfur," Lionblaze meowed, narrowing his eyes. "You're the one who tried to kill us. Is that why you loved Squirrelflight?"

Ashfur scoffed. "Not anymore." He pressed Scourge's fur. "Scourge is my mate now."

"What!?" Lionblaze blinked his eyes again. "You're gay....?"

Ashfur nodded.

"Totally gay," Scourge smirked.

Then they were silent, it took a seconds until they can talk.

"Are we gonna talk or what?" Couragekit asked, being curious.

Lionblaze stepped close to Hollyleaf. "Oh, Hollyleaf," he purred her cheek. "I'm so glad you come back. Will you come back to ThunderClan?"

Hollyleaf didn't reply, she turned her head at Ashfur, Scourge, Couragekit, Dovewing, and Ivypool. They nodded their heads, then Hollyleaf was about to say to her brother. "Yes," she replied.

"Yes!" Scourge was exclaiming as he was jumping around. "We were going to see Ashleykit again!"

"Ashleykit?" Lionblaze was confused, then his mind popped out of his mind. "You mean Ashleypaw?"

He stopped, then he sat beside his mate. "Oh, yeah," he murmured.

"I forgot.... She's an apprentice."

Ivypool nodded. "And Squirrelflight becomes a mentor with Ashleypaw," she explained.

Suddenly, Ashfur blinked his dark blue eyes and began to shriveling. "Squirrelflight?" he muttered nervously.

"Yeah," Dovewing smiled, staring at his cold gaze. "Do you want to see her again?"

Ashfur didn't reply, he started to nod his head slowly. Scourge knew he was scared of Squirrelflight after she had rejected him. He had heard a story about Squirrelflight had rejected him to choose Brambleclaw. Then Ashfur became his mate forever.

"It's okay, Ashfur," Scourge smiled, touching his forepaw. "If you don't want to, thats fine."

Ashfur smiled. "Thank you," he replied.

Lionblaze smiled. "Let's go, guys." Then they were heading to ThunderClan to see Ashleykit again.

A/N: Again!? This is happening!

Chapter 24: Ashleypaw and Robert

[image]

She opened her green eyes and see the huge tabby was waiting for her to wake up, she gasped as she stepped away from him.

"Tigerstar!" Ashleypaw blinked, feeling her eyes wiggling. "Why are you here and what do you want?"

He smirked at her. "Have you forgotten?" he asked, growling his eyes wider.

She shook her head, suddenly she gleamed her eyes to remember what she was forgotten. "You mean my training?" she asked him.

He nodded. "Yes, Ashleypaw," he chuckled. "It's time for you for your first stage."

"What stage?" Ashleypaw was confused.

"Your first kill, mouse-brain!" Tigerstar snapped, clawing her shoulder, causing her shriek in pain.

"I'm sorry!" She wailed, started to cry, but she tried not to cry in front of her mentor. "I've already kill a cat."

He rolled his eyes. "It's just a random evil cat, Ashleypaw," he snarled. "he was being forgotten, don't you get it? If every cat was forgetting about him, then he should be gone forever."

She stopped crying, streaming down her eyes. She wiped her eyes and started taking a deep breath. She nodded her eyes and staring into his cold gaze. "So if I wake up, who am I gonna kill?"

He gave her a evil look as he was smirking at her. "First, you will kill Whiskernose."

She blinked her eyes. "What!?" she stepped back away from him. "Why would I want to kill Whiskernose? Where's he from?"

"He's from WindClan territory," he replied, stepping close to her and using his tail around her shoulders. "You should wake up for now. This is your first stage. And Whiskernose will be your first kill."

***

She woke up and see the dark ginger she-cat was poking her.

"Ashleypaw, wake up!" she tapped her forehead.

She started to yawn slowly. "What is it?"

"Well, it's time to go to the patrol," she replied, sitting beside her. "I don't want you to sleep all day."

Ashleypaw nodded tiredly. "Where are we going?" she asked.

"We're going to WindClan border," Squirrelflight smiled, she started stand up and starting to walk with her mentor.

"Are we getting some prey?" Ashleypaw asked.

She nodded. "Yes," she meowed. "We'd better be careful. We don't want to trespassing their territory, or else we're get our fur claw."

Ashleypaw had never heard of WindClan before, but she went on a patrol with her mentor for the first time. They went to the forest to find a prey, suddenly Ashleypaw felt guilty of killing Whiskernose. Will Squirrelflight ever find out that she was a killer just like her father Scourge?

Do I have to kill Whiskernose? Ashleypaw asked herself, suddenly Tigerstar was nodding his head and tell her, ***Yes, you must kill Whiskernose.*** Tigerstar started to chuckled evilly. ***If Squirrelflight left you behind, here's your chance to kill Whiskernose.***

But why ?

Just do it, you idiot! Tigerstar slashed her cheek and she started to

gasp ad she stopped. ***Do what I said!***

Ashleypaw took a deep breath, then she went back to patrolling with her mentor.

Squirrelflight stopped. "Ashleypaw, I'm going to help Leafpool," she told her. "Why don't you stay here, so if you need me, let me know."

Ashleypaw nodded, watching Squirrelflight padding through the bushes. Tigerstar just saw it as he was standing behind her.

Now here's your chance, Tigerstar smirked, whispering at her ear. ***Now go find Whiskernose and kill him.***

Ashleypaw swallowed, started to sneak away from Squirrelflight.

***

Ashleypaw went to WindClan border, she saw the brown tom was sitting on the moor by himself. She started to stalk him as she was hiding in the bushes. Whiskernose heard a noise, he started to growl as he was ready to fight.

"Who's there!?" he commanded, growling at her, then she came out of the bush. "Who are you?"

"I am Ashleypaw," she told him. "Are you Whiskernose?"

He nodded, narrowing his eyes. "Yes," he snapped. "How do you know?"

She didn't reply, she leaped at him and starting to slashing his pelt. He growled as he claws her face. Ashleypaw grabbed his his back with her new, then she used her long claws and slit his throat. He was rasping, she let him go as she was atching him dying slowly. Then Whiskernose died in front of the black she-cat, the daughter of Scourge.

Ashleypaw gasped. *I.... killed him....* She started to step away from his body. *Not again..... Not again!*

She started to run away from his body, she can hear Tigerstar was

laughing at her. She ran in the forest as she was sobbing.

No more , please!

Then she stopped, she saw the familiar place where she was born. It's BloodClan territory!

I'm home..... Ashleypaw went into their territory and hiding in the bush away from them. She saw Blood and Gray were having an argument. She knew they were father and son. She remembered when Gray was being a good cat, but turned out to be a warrior. She saw the four kits were playing together, she knew they were new born kits in BloodClan. She stepped at the twig as the little pale ginger she-kit turned around and saw what's in the bush. Ashleypaw started to gasped as she was stepping away from the kitten, suddenly someone else was grabbing her and covering her mouth.

It was Robert!

She looked up at the ginger-and-white tom, she tried to break free, but she stopped. "Robert, what are you--" She cut the word.

Robert was hushing her, looking around to make sure no cat to see them. "You shouldn't be there," he muttered.

"Why?" she asked.

"Because I want you to come with me," he mewed, letting her go then she went following him.

"Where are we going?" Ashleypaw asked.

"You'll see," he murmured, he was holding her with his tail. She looked up and see the dark clouds, she knew it's about to rain as Robert knew it's running. She blushed as she looked into his face, she looked away from his face and started to walking in the forest.

***

Robert brought her to the forest, they went to the cave, so they don't get themselves wet. They looked above at the gray clouds.

Ashleypaw can hear the thunder roars.

"Robert," she called his name.

"Yes?" he asked, turning his head around.

"Do you think..... you know, do you think I'm a killer just like my dad?" Ashleypaw asked him a question, making herself concern. "I killed someone in WindClan border. Are you going to tell everyone that I'm a nurderer?"

Robert shook his head. "No," he muttered, he laid beside her as she laid back to him. "I won't tell everyone."

Ashleypaw smiled, then she started to fall asleep, Robert fall asleep, too. She was closing her eyes tightly, then right now she's having a nightmare again.

***

S

he opened her eyes and see Tigerstar was laughing. She started to growl at him.

"Tigerstar!" Ashleypaw hissed. "Why did you made kill the innocent cat!? I could get myself a trouble when they found out that I'm a murderer! Just like Scourge!"

"Oh, please," he laid on the tree branch and looking down at her. "It's your first stage. You had to kill a cat who you truly hate. Whiskernose is your first kill and now you're a killer just like your parents."

*My parents? "*What do you mean my parents?" Ashleypaw asked, narrowing her green eyes.

Tigerstar was smirking, he started to giggled as he was jumping off the tree. "Oh, Ashleylaw," he purred at her, pressing her cheek against his. "You dont get it, do you? Hollyleaf had killed Ashfur after he took revenge on Squirrelflight for using Brambleclaw, my son. So then Scourge saved his ass and then they were together!

And you should know that Hollyleaf was your real mother and you had to tell your brother about this. He'll get so piss when he finds out."

"Never!" Ashleypaw refused, pushing him away as she was stepping away from the huge tabby tom. "If I tell my brother about this, he'll get his heart break. I won't ruin his life. He's my brother and I love him! I can't do that!"

Tigerstar started to growl at her, coming close to her as he pinned her down. "Just do it!" he snarled, Ashleypaw was breathing calmly as she was blushing. "If you don't do it, I'll take over your virgin. And do you know why? You won't get away from me and you are mine! You joined me, but you are refuse! And now.... I will control your body if you don't do it, I will!"

Ashleypaw started to growl at him. "Never!" she spat at him. Tigerstar wipped the spit off of his face, then he started to do something bad happened to her.

"You leave me *no* choice, you little bitch!" Tigerstar grabbed her around her neck and started to strangling her.

She couldn't breath as she was struggling to escape, but he is too stronger than her. He tossed her in the ground, and started to pin her down again. Ashleypaw screamed the help, but nobody can hear. He crouched her in the ground around her belly, then he started to rape her. She didn't looked up at his face and moving around while he was torturing her.

After the rape, she was laying on the grass and she didn't say a word and didn't move at all. She saw the familiar silver-and-white tabby she-cat was worried about her, coming close to her. Ashleypaw knew what she was watching her laying in the ground with wounded and semen.

"Are you okay, Ashleypaw?" Ivypool asked worried. "Did Tigerstar did to you?"

She didn't say a word, she started to nod her head slowly.

"Ashleypaw," Ivypool sighed sadly, she laid beside her. "I'm so sorry, honey. I should have stop him, but I'll betray him." She started to lick her fur and cleaning the cum off of her pelt.

Ashleypaw started to smile at her sadly, suddenly Tigerstar showed up. Ivypool gave him an excuse look.

"Ivypool, you were supposed to be training with Hawkfrost," Tigerstar orderd.

Ivypool nodded. "Yes, Tigerstar." She looked at Ashleypaw, telling her she was sorry, then she went back to the Dark Forest.

Tigerstar looked at Ashleypaw, laying on the ground and shriveling. She started th cry as she was about to say something to him.

"I'm sorry," she apologized to the ghost cat, streaming down her eyes.

Tigerstar stepped forward. "Sorry?" he asked, smirking at her. "Well, let me tell you what. If you *ever* refuse me again, you'll regret it." He used his paw to strangle her throat again and shaking her so hard.

***

"

Ashleypaw!"

She opened her eyes and saw Robert was waking her up. She knew he was worried about her. She looked herself at her fur and she was covered in blood. She gasped.

"I.... I gonna go back," she stepped back away from him. Then she ran away from him, but she was too weak to runnimg away from him. She can see the blurry, she knew she can't see anything.

She went to bush and running through the path, then she came back to ThunderClan territory. All the cat's were gasping.

"Ashleypaw!" She heard a familiar voice, it was her parents Scourge and Hollyleaf. She fell in the ground and faded away.

I'm so sorry about the rape stuffs , guys. I just slipped out when I was think of the rape stuffs . Oh, God ! What have I done!? I'm a terrible author . You guys should kill me right now! Kill me now! Poor Ashleypaw! That's because of TIGETSTAR ! I like him too much! talking or thinking of Tigerstar and my oc! I've read about TigerxGolden shit story! I'm so fucked up! [image]

Scourge just saw his daughter Ashleypaw was all wounded and coveted in blood, he saw her falling in the ground and he was calling out her name.

"Ashleypaw!" Scourge cried, he ran to his daughter and covering her wounds. Ashfur and Couragekit were gadping with horrifiled.

"Ashleypaw!" Ashfur cried out her name, licking her forehead.

Firestar came out of his den and see the two cats were grieving her. His green eyes were wider. "Scourge!? Ashfur!?" They turned their heads and see Firestar was gasping.

"Ashfur.... You're alive!?" Firestar blinked his eyes. He turned around and see Scourge was holding Ashleypaw's wounds.

"Firestar!" Scourge snapped, he began to growling at him. "It's about time you find out that I'm still alive!"

"So, it's true.... Ashfur's your mate, right?" Firestar asked, pointing at the pale gray tom.

Scourge narrowed his icy blue eyes. "How did you know about us!?" he asked loudly.

He softened his eyes, stepping forward at the BloodClan leader. "Your daughter told me about you and Ashfur were together," he told him. "And I understand that you two are gay. And I understand that Ashfur had joined your Clan."

"What....?" Ashfur blinked his dark blue eyes.

Scourge looked down at his daughter, Couragekit came here to see his sister again.

"Ashleypaw?" He poked her head, began to shake her. "Ashleypaw!"

Jayfeather came here and see what's going on. "Great, StarClan!" He was looking around, they all knew he's too blind to see anything. "What happened!?"

"Ashleypaw got beat up of someone," Scourge explained. "Please, help me....!"

"Scourge!?" Jayfeather blinked his eyes. "What are you doing here?"

"Don't worry, Ashleypaw," Ashfur promised, stroking her back. "Daddy's here for you." He saw his foster daughter was openijgbher eyes, she suddenly claw his face.

"Get away from me!" Ashleypaw hissed, she started to stand up and feeling to dizzy. She closing her eyes and feeling too dizziness. Ashfur had never seen her so angry before, Scourge and Couragekit were gasping as they were watching her standing by herself.

"You're not my father!" Ashleypaw growled, her blood were linking to feel the pain. "You're just nobody!"

Couragekit blinked his icy blue eyes terrified. "Ashleypaw....."

She opened her eyes and see her real parents; Scourge and Hollyleaf. "You...." she snarled, pointing at them. "You lied to us..... You kept the secret from us! Did you? Did you!?"

Hollyleaf stepped away from her. "Ashleypaw," she meowed worrily. "How do you know about our secret?"

Ashleypaw used her bare teeth and started to growl at her. "Tigerstar told me that you are my real mother!"

Couragekit blinked his eyes. "What!?" He turned his head at his real parents. "You're my real mother?"

Hollyleaf nodded sadly. All the cats were gasping.

Lionblaze's eyes are wiggling. "You lied to me?" he asked.

"I'm sorry," Hollyleaf meowed, shaking her head in front of her Clanmates. "I'm sorry to all of my Clanmates. I had raped Scourge in

front of Ashfur when he came into his den, then I got myself pregnant."

They all gasping, except Ashleypaw was very angry at her parents. Ashfur and Scourge were worrying as they were looking around at the cats.

Couragekit started to hiss at them. "Why!?" he yelled at Scourge.

Scourge stepped away from his son. "I'm.... I'm sorry," he gulped nervously. "I want Ashfur to be a good parent to you, so Ashfur won't get lonely."

"And you lied to us?" Couragekit hissed, growling at him like a tiger. "You kept the secret from us! If you ever want to tell us the truth in the future, then it's too late that!" Then he started to run away from his father.

"Couragekit!" Scourge cried, trying to reach his tail, but he's too faster than them.

Ashleypaw knew her brother was running away when he went to the queens' den. She turned around and talk to her Clanmates. "You see?" she asked, giving them a nasty smirk. "That's why you can't keep a secret from us! *Ever!"*

"That's enough!" Scourge yelled at his daughter. "You better watch your attitude!"

"You're not the boss of me!" Ashleypaw was smirking at her father, using her bare teeth. "You're nothing but a leader of BloodClan!"

"Enough!" Firestar commanded, he was making sure if no other cats had an argument. "Jayfeather, take Ashleypaw to the medicine cat's den." He nodded, he took her to his den, then Firestar turned his head at them. "And you, Hollyleaf, you are now rejoin ThunderClan. I understand about your story. Ashfur and Scourge will be staying in ThunderClan."

"We just want our kits to grow up in ThunderClan," Scourge told him. "Then we'll take them back to BloodClan, I promise."

Firestar nodded. "Very well," he replied. "You may dismiss."

Chapter 26: Ashleypaw's Confession

[image]

Scourge and Ashfur had never seen their kits so angry before, Scourge's eyes were wider and thinking of the past; Scourge had killed Tigerstar in front of the Clan. Ashfur just saw that when he was an apprentice. Firestar tried to kill Scourge when he tried to win the battle, but Ashfur doesn't want him to die. He doesn't want Firestar to kill his mate. Ashfur had saved him from the leader of ThunderClan. Then Scourge and his Clanmates had retreated and never see Ashfur again. Few moons later, Ashfur had finally seen Scourge again.

Scourge went to go find Couragekit, he knew he was hiding from them. Ashfur went th go find Ashleypaw, he knew we was still angry of him. He saw Ashleypaw was sitting by herself.

"Ashleypaw?" He meowed, calling her name. She turned around and saw Ashfur was worrying, she turned back away. from him. He started to step closer to her. "Ashleypaw?" he padded her left shoulder. "Do you want to talk about it? After you clawed my face?"

She didn't reply, she was using her bare teeth and growling at him, she's still ignoring him.

"Will you tell me what happened to you?" Ashfur asked.

Ashleypaw narrowed her green eyes and growling at him. She started to talk to him. "I don't want you to know," she muttered angerily.

"Ashleypaw, please," Ashfur begged, purring her back around. Suddenly, she pulled herself away from her foster father.

"Don't touch me!" Ashleypaw hissed, turning around and hissing at him. She was bristling her whole body. "You're not my mother!

Hollyleaf is! And you didn't gave birth to us!"

"Ashleypaw, please," Ashfur snapped, giving her a sad look. "Listen to me! Hollyleaf did it for a reason, so I could raise you on my own."

"You didn't raise me!" She hissed, facing him like a manic."You're just a tom who didn't raise us!" She started to pin him down.

"Ashleypaw, what are you doing?" He shrieked, trying to break free, but she was holding him.

She used her claws. "I'm ending your lifes!" Then the dark ginger she-cat just saw that when she tried to kill Ashfur in front of her.

"Ashleypaw, stop!" she halted her as she pinned her own apprentice down. She turned around and see the familiar tom who took revenge on her for using Brambleclaw, her mate.

Squirrelflight's eyes are wider. "Ashfur?"

"Squirrelflight?" He gasped nervously.

"You're alive?" Squirrelflight let her go, Ashleypaw was standing and staring at Ashfur.

Ashfur nodded, giving her a smile. "Yes, Squirrelflight," he replied. "I'm alive."

She gasped, dropping her ears down. "Ashfur, this is..... unbelievable. You're alive!" She presses his neck and purring around. "I thought you were dead! How did you survive?"

"Well, before Hollyleaf killed me," Ashfur explained. "Scourge saved my life and join his Clan."

"What!?" She blinked her green eyes, she doesn't know that Ashfur is a BloodClan cat. "You're a BloodClan cat, now?"

He nodded signing. "Scourge is my mate, now," he told Squirrelflight. "That means I'm gay."

"You're gay?" Squirrelflight gleaming her eyes. "Does it make you bisexual?"

He was confused, he was shaking his head and said 'no'.

"If you used to fell in love with me, then you must be bisexual," she explained, pointing at him.

"What!?" He blinked his eyes, getting himself confuse. He saw Ashleypaw was stsringbat him, narrowing her eyes, still.

"Ashleypaw," Squirrelflight commanded, standing for her. "You need to apologize to Ashfur, and tell me what happened when you leave without my permission."

She took a breath. "I'm sorry," she murmured, feeling guilty. "I'm sorry for hurting you, Ashfur."

He gave her a smile, he started to lick her forehead. "It's okay," he meowed. "I forgive you."

He knew there's something wrong with Ashleypaw, getting herself depress.

Squirrelflight gave her apprentice a smile, began to worry about her. "And tell me what happened."

Ashleypaw started to speak to them. "Well, you see," she replied sadly. "I saw the sqiurrel was running free, I started to chase then it's gone. I got myself lost, then I was being kidnapped and raped."

The two of them were gasping.

"You were raped!?" Squirrelflight gasped, covering her mouth with a surprise face. "What happened!?"

"Well, he do bad stuffs for me, he kept torturing me abd then I knocked the rapist down. I ran away from him," Ashleypaw explained to them.

Ashfur suddenly hug her tightly. "Oh, my baby!" he cried.

Ashleypaw started to cry as she pushed him away from him. "Get off of me!" she cried, closing her eyes and feeling her tears streaming down her eyes.

"What's going on?" Scourge and Couragekit came in and see Ashleypaw was crying in front of them.

"What happened?" Scourge began to worried and see Ashleypaw's sad face.

"She was being raped," Ashfur explained.

They gasped with horror.

"What!?" Scourge gulped horrifiled. "What happened."

"I'll tell you later," she muttered, looking away from them.

"What happened if she'll get pregnant?" Squirrelflight asked.

Scourge began to snap. "Then let's go find Jayfeather!" he depressed. "He'll find out if she's pregnant or not."

Ashfur sighed sadly. "Maybe for tomorrow," he murmured.

***

Scourge came into Ashleypaw's den and see her depressing. He started to laid beside her. "Ashleypaw?" he mewed. "Are you feeling okay?"

She nodded.

He used his tail around her back. "It's okay," he smiled. "I'm here for you. I'm sure we'll fix you up."

Ashleypaw nodded. She closed her eyes, then she fall asleep. Scourge began to fall asleep, he was resting his eyes and he passed out of his sleep.

Scourge opened his eyes and see the strange place, he had never went to the place before. He started to walk by himself. He turned

around and saw his daughter Ashleypaw was talking to the huge tabby tom and all the undead cats and the living cats. He saw the familiar cat is.....

Tigerstar!

He gasped, stepping away from them. *I didn't know Ashleypaw works with Tigerstar,* he thought. *But why?*

He saw what they were doing, training how to be a killer.

"Now, we will defeat Firestar and all the naive mouse-brains when the time has come," Tigerstar explained to them, Scourge was hiding in the bush away from them and his daughter.

He saw Tigerstar was talking to Ashleypaw. "Now, you had two stage, Ashleypaw," he replied, smirking at her. "Next up, you must kill Dragonsoul. He's from RiverClan, and you must kill him."

"Dragonsoul?" Ashleypaw was blinking her eyes, getting herself confuse. "Is he a warrior?"

Tigerstar nodded."Yes, he is." He was circling around at her, he was using his tail around her shoulders and her back. Scourge had never seen him so soft on her before. "You must kill him. This is your second stage."

"What if I can't kill him?" Ashleypaw asked him nervously.

"Then you will regret it again," Tigerstar growled, then he went dissapearing.

Scourge gasped. *So, that's true! Tigerstar did raped her! He's dead! How is he still alive? Ashleypaw had lied to us about the rapist! I'll kill Tigerstar again!*

Chapter 27: Whitewing

[image] [image]

(This is my favorite song. I've been hearing this for 3 days ago. It's a japanses song, but I'm not a japanses. I'm a American . Believe, I always love that song. I hope you guys love this song).

Ashleypaw opened her eyes and see the empty den was too cold, she stood up and see all the cats were gathering. She saw Scourge and Ashfur were sitting on the Highledge with Firestar. She sat beside her brother Couragekit.

"What's going on?" she asked, whispering at his ear.

"I was having my ceremony," he told his sister. "And our parents were staying here until we'll grow in ThunderClan."

She nodded. She looked up at them.

Firestar started to speak to his Clan, "Warriors, we are here with Scourge and Ashfur," he told his Clanmates. "They are staying here until Ashleypaw and Couragekit will be warriors."

All the cats were murmuring, looking at each other. Ashleypaw just saw that. She turned back and look up at their leader.

"Couragekit, step forward," Firestar ordered, her brother stepped closer to him. Firestar jumped off the Highledge. "Couragekit, from this moment you will be known as Couragepaw." He looked up at the warriors to find a new mentor. He looked at the white she-cat. "Whitewing, you will be mentor with Couragepaw." Whitewing gave him a lick on his forehead, he knew she was a nice she-cat.

"Couragepaw! Couragepaw! Couragepaw!" All the cats were calling his new apprentice name, and so is Ashleypaw and Ashfur, but Scourge doesn't understand about the warrior code. Then Scourge started to call out his name.

Ashleypaw started to lick her brother's forehead. "Congrats, bro!" she exclaimed, still licking his forehead.

"Thanks, sis," Couragepaw meowed, he licked his sister's cheek.

Ashfur and Scourge came down here and see their kits.

"I'm so glad that our kits were apprentices," Ashfur smiled.

Scourge chuckled. "I know," he murmured happily. He looked at his daughter being happier. "Are you guys feeling happy that you guys are apprentices?"

They both nodded. Still, they remember how Ashfur and Scourge had lied to them about Ashfur being a motherhood. Still very mad at them. They didn't say a word, giving them a dirty look. They started to walk away from their parents, how rude they are.

Scourge sighed, looking down. "I forgot that they're still angry at us about our secrets," he murmured.

"I know," murmured Ashfur.

"Ashfur?" The white cat stepped forward, giving him a pretty look. "Is it true that Scourge saved your life?"

He nodded. "Yes, Whitewing," he smiled. "He saved my life, and we're mates, now."

Whitewing gave him a sad look. "Ashfur, do you remember that time when we were together?"

Ashfur was confused, he shook his head. "I don't remember," he replied.

"But, Ashfur, you had to remember!" Whitewing cried, still giving him a sad look. "You and I were mates when we were training our former apprentices, Lionblaze and Icecloud."

"He doesn't know what you're talking, Whitewing," Scourge snapped, protecting his mate away from her. "I think it's time for you to train our son."

"His?" Whitewing asked, looking at their son. "Ashfur, is it true that Hollyleaf has kits?"

He nodded. "Yes, they're not mine."

"Then you don't give birth to kits!" Whitewing shook her tail. "We had our kits! Dovewing and Ivypool!"

Ashfur blinked his eyes. "Wait, what?" Scourge dropped his jaw as his eyes are wider. "I had.... kits? How?"

"A long time ago before you died," Whitewing explained, giving him an expressive look. "Dovewing and Ivypool looks just like us. Dovewing's eyes are green just like mine, and Ivypool's eyes are dark blue just like yours. Everyone misses you, and I even missed you. Ashfur, we were mates, remember?"

Ashfur had never heard of a shock, he started to shook his head and said, "Yes."

Scourge was looking around at the two cats. "Okay!" he snapped. "Can any cat what's going on and tell me what just happened!?"

Whitewing turned around. "Well, when I was a young warrior," she explained. "I had a crush on him before Squirrelflight had rejected him. So then I began to be with him. Ashfur and I were training our former apprentices together. And then we were falling in love. So I found out that Ashfur was being killed by Hollyleaf. Before you saved Ashfur, I got pregnant with Dovewing and Ivypool. I asked Birchfall to be their father. And now Ashfur is alive and cane back to ThunderClan."

"Wait!" Scourge blinked his eyes. "Are you saying Ashfur has kits!?"

Whitewing nodded.

"Damn," he murmured. He turned his head at Ashfur. "Ashfur, you're a dad."

"I know," he muttered. "I didn't know I had kits. After she killed me, and now I had kits!"

"She's your ex-mate, then?" Scourge pointed out.

Ashfur nodded.

"Then that means you're bisexual," Scourge meowed. "You had fell in love with me, Squirrelflight, and Whitewing."

"I'm gay, now!" Ashfur snapped.

"No, you're not!"

"Yes, I am!" Ashfur shouted, making him so depress. "I love you and I always being gay for you!" Then Ashfur started to run away from them.

"Ashfur!" Scourge called out his name.

White stopped him. "I'll go get him," she responded, then she went to go find Ashfur.

Whitewing's P.O.V.

I went to find Ashfur, I haven't seen him everywhere. He's probably hiding from me. When I get there, I saw Ashfur was sitting by himself.

"Ashfur?" I asked, calling his name. I was coming near him. "Are you okay?"

"I'm fine," he murmured sadly. "Just crying just like the old days."

"Ashfur," I meowed, I sat beside him. "I know you didn't know you're bi, but you meant don't know that."

"What does it mean!?" Ashfur snapped, sobbing in front of her. He was covering his face away from as he was turning away from her.

I took a breath. "Bisexual means sexually attracted to both toms and she-cats," I told him. "a cat who is sexually attracted to both toms and she-cats. It was like before Scourge left you during the battle, you fell in love with Squirrelflight. Before she rejected you, I fell in love with you when we were training Icecloud and Lionblaze. So

then Hollyleaf left you for dead in the river. Scourge saved your life, and then you and Scourge went back together. That means you're bi, Ashfur. Before you were being killed, I had your kits when they were born."

Ashfur sighed depressive. "But I'm gay," he replied. "Why am I being bi?"

"That's because every cat who you ever loved that you chose a tom or a she-cat," I explained. "It's okay if you're gay if you want to be with Scourge forever. That's fine, but I had another mate Birchfall. He was the foster father of my daughters, our daughters."

"But how come you didn't tell me before Hollyleaf left me for dead when you were pregnant?" Ashfur asked me a question.

"Ashfur, I told you," I meowed. "Before Hollyleaf killed you, I got pregnant with Dovewing and Ivypool. You came back and see our daughters again. They don't know you were their father."

"And you got another mate?" Ashfur asked me with a judgement.

I started to nodded nervously. "Yes, but I'm sorry." Without a warning, he started to laugh like a manic. I called his name, but he didn't respond. He started to pin me against the tree when he was shopping his head and calling my name.

"Whitewing, Whitewing, Whitewing," Ashfur chuckled psychology, he looked up at me with my gaze as he started to smirk at me. "You had no idea why you haven't tell me about our kits. After without telling me? After you had another mate? Whitewing, You should have never screamed at me. I might do something to you..." Ashfur dropped me and I landed hard on the ground. He stepped over me, laughing. I knew what he was about to do. Just as he tried to mount me, I screamed out with all my might. Ashfur hesitated. Luckily he had not raped me that night, because suddenly Scourge appeared out of the bushes, and knocked his mate off my back, causing him unconscious.

"Thanks, Scourge," I panted, I watched Scourge nodding his head.

Scourge looked at his mate and ask, "Ashfur, what in the name of God do you think you're doing!?" he asked angerily. "You shouldn't rape this she-cat. She was only telling you that she had another, and you can't just bring her back. But what about me? I'm your mate, Ashfur! I loved you for a long time ago! I know you're very depress about Whitewing, but you had to let it go." Then i saw Scourge was hugging Ashfur in front of me.

Ashfur started to sob as he hugged him tightly. I took a deep breath, then it is finally over.

Chapter 28: Couragepaw joins the Dark Forest

[image]

Ashleypaw....

Ashleypaw opened her eyes and hear the voice was calling her name. She knew it was Tigerstar was inside of her head.

What do you want, Tigerstar? She asked, giving him a dirty look.

I want you to bring your brother to the Dark Forest, Tigerstar told her, smirking at her like a demonic cat. ***Find someone else to sleep, so you'll visit me again.***

Fine! Ashleypaw hissed. *I'll do it!*

She started to stand up, then she was poking her brother to wake him up. "Couragepaw!" Ashleypaw was waking her brother up, he didn't wake. He started to roll over. Then Ashleypaw started to hit on his shoulder. "Couragepaw, wake up! You had to come with me!"

Couragepaw groaned, turning his head around and see his sister's face. "What is it?" he asked. "Where are we going?"

"Anywhere," Ashleypaw replied. He started to stand up and follow her. They were sneaking away from the warriors as they were walking quietly. They went to the bushes as they were slipping through, then they came out of the bushes and see the forest.

Couragepaw was looking around, getting confused. "Where are we?" he asked.

"We should sleep in here," Ashleypaw told her brother.

He blinked his eyes. "What? Why?" he asked her seriously.

She took a breath. "Because you're going to meet Tigerstar," she told

her brother. "He was waiting for us, and you should meef him."

"Who's Tigerstar?" Couragepaw asked her a question.

"Tigerstar is the bravest leader of ShadowClan," Ashleypaw lied, explaining to her brother. "He is the strongest at them all. He fights, he hunts, and he teaches us how to be powerful. He's gonna meet you, Couragepaw. You'll meet him when you had a dream."

"Wait, are you telling me that Tigerstar is in our dream?" Couragepaw protested, questing her.

Ashleypaw nodded. "Yes, Couragepaw," she meowed. "He's in our dream. He is watching us and knows what we're doing. Let's go asleep. so you're going to meet him."

"Right now?"

She nodded. "Yes, right now." She laid on her den, she was closing her eyes tightly, he laid beside her and he was closing his eyes began to fall asleep.

***

They both opened their eyes, Couragepaw stood up and saw her was waiting for her brother. He was looking around and see the place of the darkness.

"Why is it so dark out there? Where are we?" he asked her.

"We're in the Dark Forest," Ashleypaw told him, she started to walk away as he followed her. "Trust me, he's waiting for us and you're going to meet him."

Couragepaw nodded, he and Ashleypaw were standing there and waiting for Tigerstar to be arrive.

Ashleypaw started to step forward at the darkness. "Leader," she spiked to the darkness. "I brought someone else to meet you. Some cat you've been wanting. "

Couragepaw stepped forward and standing behind her, but he was

looking at the darkness.

"Good," said the darkness. "I've been waiting even since you had mention him when you've left BloodClan territory."

Ashleypaw sighed. "He meant be stronger than our father Scourge," she told the darkness.

Suddenly Couragepaw saw the huge tabby was stepping toward at them as he was gasping with a surprise.

"You're.... You're.... You're Tigerstar!" Couragepaw pointed out at the huge tabby tom.

"That's right," Tigerstar smirked, started to chuckled. "I am Tigerstar."

"You're that cat who tried to take over the forest!" Couragepaw hissed, pointing at Tigerstar as he was stepping away from him. "My father told me about you who were being killed. You brought the dogs to take over the forest, so then my dad killed you.

Tigerstar nodded. "That's right, Couragepaw," he replied. "so you heard of me, huh?"

Couragepaw nodded. "And you're still alive?"

"No, Couragepaw," he shook his head. "I'm still dead and I'm the Dark Forest cat. I've watched over you when I'm dead."

"But what do you want?" Couragepaw asked, narrowing his icy blue eyes. "I still don't get it why you're still alive."

"I'm still dead, fool!" Tigerstar hissed, Couragepaw stepped back as he was staring at him with amber eyes. "Ahem," he clear his throat. "It's because of Scourge who betrayed me."

"Why do you hate Scourge so much?" Couragepaw asked him seriously.

"Hate him, ha!" Tigerstar chuckled loudly, he looked up at his face. "Well, let me tell you a story. Your father and I worked together as

partners. Before I gave him a proposition, he agreed with me that he and I were planning to take over the old forest. 2 moons later, I brought him in inti the forest, so then.... he's a traitor. He slash my stomach then I died. That is why I'm dead. I've watched over your father when he was taking over the forest. Suddenly, I saw your adopted gay-father Ashfur saved him from Firestar. And they ran away and retreat. Your father has changed and becoming a good guy, because of Ashfur. He's the only one who made him loveable or a hero! Ashfur should have died when your mother Hollyleaf left him for dead. I heard you about Scourge and Ashfur had lied to you about your birth. Lied to you about Hollyleaf."

Couragepaw started to speak to him. "Then why did you stop him?" he asked.

"Because I can't," he snapped. "He's stronger than me. He took all of my nine lifes, then I died."

"But what did you train my sister how to be evil?" Couragepaw asked.

Tigerstar chuckled, rolling his eyes. "I did not train her how to be evil," he smirked. "I needed her by my side, so she can learn how to kill cats."

He was looking around at the darkness. "But is anyone there?" he asked. "Are they evil, too?"

"Look for yourself," he meowed, showing him around them he started to gasp and see all the dead cats were standing in the forest and staring at them.

All the cats were gathering up as they were glowing their eyes.

"So, Couragepaw," Tigerstar stopped forward. "You heard my story. Will you join us or not? Just like your sister?"

Couragepaw didn't reply, he was looking at Ashleypaw and Tigerstar. He looked back at the huge tabby tom.

"Yes," he nodded. "More than ever."

"Well, you can start here," Tigerstar meowed.

Couragepaw didn't reply again. Then he spoke, "Okay," he nodded. "I'll do it."

***

They woke up, Couragepaw gasped in the air when had a dream of Tigerstar. Couragepaw knew the sun is rising above. He was looking around and see his sister was waking up.

I can't believe this, Couragepaw thought. *I'm gonna be a strongest warrior in the forest!*

"Enjoy your sleep?" Ashleypaw asked him.

Couragepaw smiled, nodding his head.

He saw his sister giving him a fake smile. "Then be happy to join us," she meowed. "I mean... you will be.... the strongest warrior in the forest."

"Yeah," he replied, taking a deep breath. "I can't believe I doubt it, too."

Ashleypaw took a step. "You knew the entire time?"

"Well," Couragepaw murmured. "Scourge and Ashfur told me about the stories. They told me that you went missing when you joined ThunderClan."

"I know," Ashleypaw mewed. "I had to be a warrior. I wanted to be just like our mother. She's a ThunderClan cat after all. So you could be a strongest warrior in the forest."

"What about you?" he asked.

She looked away. "I don't know," she murmured. "I'm not sure if I'm stronger. Come on, let's go back to ThunderClan." They went to ThunderClan, Ashleypaw knew it was a bad idea to bring her brother to join the Dark Forest.

Will Couragepaw become evil or not? What will happen in the future?

Chapter 29: The First Kill

[image]

(There's a video that I had made, you should watch it).

It's been a while since Ashleypaw and Couragepaw had a dream of Tigerstar when her brother had joined them, but he's still alive. He always wanted to be stronger than the other cat in the forest.

"Where are we going?" Couragepaw asked his sister.

"We need to go back to ThunderClan like I had told you before," Ashleypaw told him.

"Oh, yeah," he meowed, leaping his paws at the rocks.

They stopped, they saw the dark brown tabby tom was crossing the river. They knew he's gonna fight them, but there's something wrong with him.

"What do you want, Hollowflight?" Ashleypaw asked, hissing at him.

"I want you to kill me," Hollowflight responded, giving them a dirty look.

They blinked their eyes. "What!?"

"I want you to kill me," he murmured. "I was too tired and I had wounds all over my body. I want you to kill me, please."

Ashleypaw was refusing, shaking her head. Couragepaw was looking around at them.

"Then why should we?" Couragepaw asked, giving him a seriously look.

Suddenly, the huge tabby tom was watching them. It was Tigerstar again. They all knew he was watching them.

"Couragepaw," Tigerstar meowed. "Why don't you kill Hollowflight? He will be your first kill."

He gleamed his eyes. "Really?" he asked.

Tigerstar nodded. "Yes," he replied. "Are you going to kill him or not? I'll let Ashleypaw kill Hollowflight."

"No, I'll do it!" Couragepaw pointed out. "But can we fight first?"

He nodded. "Yes," he smirked at him. "You may fight him."

Couragepaw and Hollowflight were ready to fight as Tigerstar was counting a three, they began to fight. Couragepaw slashed his eyes, he pinned him, then he slash into his throat. He let him go as He was dying, Ashleypaw had never seen her brother is good before, but becoming a evil cat.

Hollowflight had already died, Tigerstar started to smirk as he was chuckling. "Well done, Couragepaw," he sneered evilly. "You had killed Hollow flight as your first kill. Now meet me in your dream again, you two." Then he faded away, she turned around and saw Couragepaw was smiling as he was being exciting.

"Yes! I killed him!" Couragepaw exclaimed. "Now I'm gonna kill cats whatever I want."

"No!" Ashleypaw snapped, holding his paws. "We had to hide the body, so nobody thinks we're murderers. Maybe you should stop killing cats, okay?"

Couragepaw nodded happily. "Okay," he meowed. They were dragging Hollowflight on the forest, then they buried him. The two apprentices went back to ThunderClan territory.

I won't let my brother to kill every cat, Ashleypaw thought worrying about her brother. *if he kills them, he'll go to the Dark Forest when he's dead.*

***

They went back to ThunderClan territory, Couragepaw went to see

his father Scourge. He heard him cough from the warriors' den.

That doesn't sound so good, Couragepaw thought. He came into his den and see Scourge was coughing.

"Dad?" he meowed, he began to worried. "Are you okay?"

"I'm fine," he murmured,rolling around. "Just.... a sickness."

"Don't worry," Couragepaw promised. "I'll go get Jayfeather." He ran into the medicine cats' den, he told the blind cat that his father is sick and Jayfeather went to help him.

Couragepaw watched Jayfeather carrying Scourge around ad he brought him into his den. He took a deep breath and calm himself down.

What are you doing? It was Tigerstar again, he turned around and saw him standing behind him. ***You know Scourge had lied to you about the truth of your mother. Here's the idea, why don't you bring the ThunderClan cat,then kill them. That will be your second stage.***

My second stage? Couragepaw was confused. *But what happened to the first stage?*

You killed Hollowflight on your first stage, remember? Tigerstar was smirking. ***Now it's your second stage to kill the ThunderClan cat.***

Okay, he nodded his head. *I'll do it.*

Tigerstar chuckled, then fading away. Couragepaw went to go find the ThunderClan cat.

A/N: My History of Wattpad

[image]

(That's my old YouTube channel)

Hey, guys! Today I wanted to tell you about my history, telling you guys about my origins.

You see, in February 16, 2018, I've been wanted to be famous in this story. I was willing to write my first story called Higurashi and Elfen Lied: Yuki's Story. You see, I had my four ocs named Yuki Furude, her big brother Lino, Luna Kurama, and Sophia. In the end of chapter, I had a big problem of being Bowset stuffs from Super Mario Bros, so then I've canceled the second story. *Sigh* Everyone thinks that's weird to have Bowser as a human being, so do not use Super Mario Bros in anime crossovers. It could be so weird.

Another thing is about my story called The Falling Dark Side. I've canceled that story because it has Super Mario Bros or Elfen Lied Crossover. It's weird again.

Well, I think I remember how I've delected Bowser x Kyla. That's because I've canceled that story. I had a big problem about in chapter 7. That's because I had a problem of making the ideas of this chapter. Damn.....

Okay, there's another thing that I wanted to tell all something about my ideas of this story. I've wrote a story called Scourge x Ashfur: A Love Story. I can't believe they were my favorite otp, because they're the best. Everyone loves my story because they were the huge fan of Ashfur x Scourge. And so do I.

Well, i think I had a problem about Ashur and Scourge stories stuffs, because I had brainstorm. Okay, first I've wrote Scourge x Ashfur: A Love Story, Second Chance, and The Two of Us.....? Well, The Two of Us had Motheing and Leafpool. Well, I've haven't write the new chapter, because I had brainstorm problem. I'll be damned if I don't get it together. By the way, I wrote a story called

Rikaheart's Journey. Because Scourge and Ashfur were in this story.

Well, I had my series of warrior cats called NightClan's Destiny. When I was 14 or 15 years old, I wrote a story about Firelily who saved NightClan. But sadly Firelily died of during the battle before her kits Nightpaw, Lilypaw, and Pymkinpaw becomes an apprentices. I know you all never know about Firelily's death. I need to figure out about the death of Firelily.

Okay, next up, I'm writing a new story about The White Raven. It's a crossover between Umineko No Naku Koro Ni and Diabolik Lovers. I kept on dreaming of Umineko No Naku Koro Ni, because I had a amazing dream. I love my dreams.

So, I think that's it for today. Because I got a history of Wattpad. I hope you guys love my story of history.

Later, bro~✌

Chapter 30: Very Important

[image]

(Hey, guys. I'm really sorry to take that long. Because I've took a break of writing a stories. I am so sorry . I need to write a new chapter to all of you. I promise. You all gonna believe that you all gonna read this story. It's very important . Ashfur and Scourge wanted to tell everyone for a very important. Good luck for reading them).

It's been a while since Couragepaw had murdered Hollowflight from RiverClan. Ashleypaw was refused, she told her brother not to kill every cat, so he stopped. What if he breaks the promise? What if he kept on killing them? It won't happen.

Ashleypaw went walking by herself, she went to Scourge's den and see if he's okay. "Scourge?" she called out his name, she saw him turning his head around at her. "Are you feeling okay?"

Scourge nodded. "Yeah," he gave her a smile. "Of course, Ashleypaw. I got one from greencough."

Ashleypaw blinked her eyes. "You couldn't have die," she complained sadly. "I don't want you to die. I want you to stay by my side, so you'll be all right."

"Hey, sweety," Scourge smiled, he was reaching his paw to touch her forehead. She started to lay beside him. "It's okay, honey," he started to licking her forehead, making her so comfortable. "I'm here you for you, so I won't leave you, I promise, baby girl." He laid beside his daughter, he used his tail around her. He started to close his eyes, then he and his daughter fall asleep.

***

Scourge opened his eyes, he turned around and see his daughter went missing. He knew she went dissapearing. "Ashleypaw?" he blinked his eyes. He stood up, and starting to search for his

daughter. "Ashleypaw?" He turned around and saw the huge tabby tom with glowing amber eyes was staring at him. The huge tabby tom conjured, moving around and standing beside Scourge.

"Scourge," he smirked at him. "It's so great to see you again, my old friend."

Scourge narrowed his eyes, begin to hissing st him. "Tigerstar!" he snarled. "What have you done to my daughter!?"

"Who? Ashleypaw?" Tigerstar chuckled, evilly. "You won't find her. Because she is training to be a strongest warrior in the forest just like me. Your kits went to join me, so you won't find them."

He blinked his eyes. "Couragepaw?"

Tigerstar nodded, smirking. He looked into his cold gaze as he was still smirking at him. "Yes, Couragepaw had killed Hollowflight, the warrior of RiverClan, for the first time, so you won't stop them. They're unstoppable, because they're stronger than you."

He used his bare teeth to growl at him. "I know what you did to my daughter," he gave him an anger look. "You raped my daughter! You raped her in her dream! You almost got her pregnant, you piece of fox-heart! If you ever touch my daughter again, I'll fucking kill you!"

Tigerstar pinned him down, they were facing at each other. "Oh, really?" he asked, smirking at him. "You can't kill me, Scourge. I'm still dead and I can do whatever I want. I'm still dead, Scourge. I'm really am."

Scourge slash his cheek, he let the small black tom go as he was ready for a fight. "If you're dead," he sneered. "You can die again! You can go to hell if you can die again! So nobody will never remember you!"

Tigerstar sighed, giggling. He was pointing at him. "Then what's wrong with Ashfur, then?" he asked, pointing at something.

Scourge was confused. He turned around and see Ashfur laid there and having pain. He knew Ashfur's blood was coming out of his

core as he was screaming in pain.

"Ashfur!" he screamed, he ran to him and healing him. "It's okay, Ashfur! You're going to be okay!" *It's only just a dream! It's not real!*

Tigerstar laughed like a manic. He turned around and see him laughing in front of him and his mate.

"What did you do to him!?" Scourge yowled at him with a rage face.

***

He woke up, his eyes are wider as he was having a nightmare. He was looking around and see his daughter laid beside him. He took a breath.

It's only just a dream, he thought, he turned around and heard someone was gulping. *That doesn't sound so good. I had to check it and see someone who's vomitting.* He went outside and see mate, Ashfur, was vomitting.

"Ashfur!" Scourge cried, he ran to him. He started to pet his back. "Are you okay?"

Ashfur nodded, he felt illness. "I'm fine," he smiled weakly.

"No," Scourge shook his head. "You're not. You need to see Jayfeather. He'll look after you." He was bringing him to the medicine cats' den.

***

Its been few moments since Ashfur got sick. Scourge was waiting for him to feel much better. He saw Jayfeather coming out of his den.

"Scourge," he called his nane.

He stood up. "Yes, Jayfeather?" he asked.

"There's something you need to know," Jayfeather muttered, they went inside in his den.

"What is it?" he asked him a question.

He took a deep breath. "Ashfur is expecting kits," he told him.

Scourge blinked his eyes, surprisly. "He's what!?" he gasped. "How? I'm a tom! We can't make babies! I mean-how!?"

Jayfeather looked at Ashfur, laying on his den. "Well, you probably mated him," he muttered.

"What?" Scourge blinked his eyes. "I've haven't mated him. I've mated him since a long time ago."

Jayfeather chuckled, shopping his head. "Well," he mewed. "I guess you mated him again. I'm sure you'll be a great dad, Scourge." He started to walk away from.

Scourge looked at his mate. "Ashfur?" he stepped forward closely. "Are you okay?"

Ashfur smiled, nodding his head. "Oh, Scourge," he pressed his head against his neck. "Ain't you exciting? We finally had kits! I can't believe we're having kits! We're gonna be best parents ever!"

Scourge chuckled, he licked his forehead. "I know," he smiled, murmuring. "I can't wait to meet our new born kits." He laid beside him, and getting some rest. Ashfur fall asleep, and so is Scourge.

(Here you go, ladies and gentlemen! That is my idea of Scourge's second litter of kits. I hope you guys are so exciting about Scourge's new unborn kits! X3)

Chapter 31: Impossible

[image]

Ashfur was so exciting to have kits, Scourge's kits. Some other cats thinks that's impossible about two toms makes babies, but some tom and she-cat make babies. Scourge doesn't know what's going on. He found out that Ashfur is excepting kits. He hasn't mated Ashfur for a long time ago, well, he had mated with him for a long time ago. Scourge knew he's having his second litter of kits.

I wonder I was being cursed by Tigerstar, Scourge thought, watching his mate laid his den. Ashfur went to the queens' den with Daisy. *Did Tigerstar made him pregnant? Is it because he has his superpower to make him pregnant? What magic did he use?*

"Scourge," the dark ginger she-cat called, he turned around and see Squirrelflight and Ashleypaw were here.

"Hey, Squirrelflight," Scourge murmured, his voice is tone.

"Umm..." Squirrelflight saw Ashfur was laying his den and resting, she doesn't know what's going on. "Why is Ashfur in the queens' den?" she asked him a question, pointing at his mate.

Scourge sighed, rolling his eyes. "Because he's excepting my kits," he told the dark ginger she-cat.

She blinked her eyes. "What?" Her eyes are wider, causing Scourge angerily. "How is it possible? He's a tom! You're a tom. Tom don't make babies!"

He narrowed his eyes, facing at her. "Would you prefer me to tell you to shut up?" he smirked. "Do you dare complain about my Ashfur is a tom who's end up pregnant with my kits?"

"Dad!" Ashleypaw snapped, backing away from Squirrelflight. "Don't start that! She doesn't mean to say that!"

"Ashleypaw," Scourge snapped back. "You know some other cats will think we're freaks because we're gay."

"Scourge, I would never say that," Squirrelflight pointed out. "I'm glad you two were becoming parents, but it doesn't mean you two are freaks. You two are the fine couple. Well... after me and Ashfur are no longer be together.... I chose Brambleclaw to be my mate. Well.... we're not mates anymore."

Scourge was confused. He stepped forward. "What is it?" he asked. "What happened between you and Brambleclaw?"

"You know what happened," it was Hollyleaf, she was coming out of her den. "I went to tell everyone that Squirrelflight and Brambleclaw are not my real parents. Leafpool and Crowfeather are my real parents because they've broke the warrior code. Brambleclaw got mad because she lied to him about Leafpool and Squirrelflight had broke the rules or pretending to be our real parents, so I think I knew Brambleclaw doesn't love Squirrelflight anymore. It's really sad... Well, I ran away from home."

Scourge sat beside her, staring at her. "Why did you run away from home?" he asked her a question.

Hollyleaf took a deep breath. "Because.... Scourge, you knew that I almost kill Ashfur," she replied sadly. "I.... And I tried to kill Leafpool with deathberries. So I ran away. When j went to the cave, I got hit by a rock and then my leg was broken. So you, Ashfur, and Fallen Leaves had rescued me and healed my leg."

Squirrelflight blinked her green eyes. "I see," she meowed. "So,"-she looked at Ashleypaw, her apprentice-"is Ashleypaw your daughter? I heard what happened during the day when your daughter got injury or being raped by a rouge. Is it true that you and Scourge had kits?"

Hollyleaf sighed, nodded her head. "Yes," she murmured, she covered Ashleypaw's ears, so she doesn't want her daughter to hear that. "I've raped Scourge and got myself pregnant with my two kits. Because I used to had a crush on Scourge, so then I gave up on my kits. I let Ashfur to be responsible as a adopted father."

Squirrelflight presses her chin against her head. "Oh, sweety," she purred. "You know, sometimes it happens when your mother Leafpool had gave on you and your brothers, so it happens to you, too."

Hollyleaf sighed, she started to give her a smile. "I'm sorry for running away from you," she sighed.

"It's okay," Squirrelflight smiled back, sadly.

"Okay, enough, already!" Scourge snapped.

Ashleypaw gave her an excuse look. "Dad!" she snapped back. "They're just mother and daughter!"

"Well, they're not!" Scourge complained, walking away from them as Ashleypaw followed him. "They were aunt and niece!"

She stopped him, biting his tail. "Dad," she meowed, he looked at his daughter. "I'm sorry that I got mad at you for hurting Squirrelflight's feelings. Because she was curious. Like, she doesn't know that Ashfur is having kits, my new siblings. Squirrelflight was very proud of both of you. I'm glad you guys were having a new family. I wish Ashfur is my dad, but Hollyleaf is my real mother. Anyway, I just wanted to say you gonna be a great father." Ashleypaw let his tail go, she started to walk away from him.

Scourge followed her. "Ashleypaw, wait!" he commended, trying to reach her.

She stopped, she turned around and she saw Scourge was stepping forward. He gave her a hug, she was surprised. She was blushing, so she gives him back tightly. "Thank you," he murmured.

"For what?" she asked, looked above.

"Thank you for being my daughter," Scourge looked down at her, giving her a smile. He was stroking her back softly, he started to sigh as he was looking straight, staring at Hollyleaf and Squirrelflight. "Well, thanks for Hollyleaf who created you as my daughter, and Couragepaw as my son. I know how you feel. You two will always be my kits."

Ashleypaw had never heard of it before. She gave him a kiss on his cheek, he was in shock. He had never seen his daughter a one kiss on his cheek. He let Ashleypaw go, watching her walking away from him.

Scourge sighed, looking down at his paws. *Ashleypaw... my daughter... I wish you were Ashfur's daughter, but... instead of my wish, I still love my daughter. Would it be honest when Hollyleaf is the creator?*

3k! FUCK, yeah! (I didn't see that coming)

Chapter 32: Promise me

[image]

It's been few moons since Ashfur got pregnant with Scourge's kits. His belly is swallow. Ashfur was in the queens' den with Daisy and his sister Ferncloud. He haven't seen his sister for a long time ago when he almost died. He knew Ferncloud missed him when they used to talk to each other. Ashfur had remembered when he was all alone when Ferncloud was the queen who cares for her kits, Bramblemclaw and Ashfur used to be best friends when they were apprentices, and Squirrelight, the she-cat that be used to tell in love with her. He knew that he wasn't alone. Because he has a mate, adopted kits, and his real kits.

He laid beside his sister, giving her a smile. "Hey, sis," he meowed. "It's great to see you again."

Ferncloud giggled. "Me, too," she smiled. "I've haven't seen you since we were apprentices."

"Ferncloud," Ashfur smiled back, he gave her a luck on her head. "We've been seeing each other all this time when we were both young warriors. I'm still glad to see your face again."

"Me, too," she pressed her cheek against his cheek.

Suddenly, the dark brown tom came in to see his mate Ferncloud. He was carrying a prey, then he stare it to his mate.

Ashfur smile. "Hello, Dustpelt," he mewed.

"Hey, Ashfur," Dustpelt meowed, sitting next to his mate. "I heard you that you were carrying Scourge's kits. Congratulations, Ashfur." He gave him a smile.

He smiled back. "Thank you, Dustpelt." He stared at his former mentor, he remembered that time that he was being trained by Dustpelt, his sister's mate. *He used to be my mentor when he taught me*

how to be a warrior.

He turned around and see someone was calling for help. He came out of the den and see Foxleap and Rosepetal were calling for help.

"Help! We need help!" Foxleap yowled.

"Cherrypaw and Molepaw went missing!" Rosepetal cried, running around.

All the cats were gasping. Ashfur's eyes are wider, he had never heard of the news. Firestar came by.

"Should we get a recuse party?" Couragepaw asked, stepping forward as he was being too curious.

Firestar nodded. "Of course, Couragepaw," he replied. "We had to find Cherrypaw and Molepaw."

"Firestar, there's a familiar cat named Sol," Foxleap told the ThunderClan leader. "I think we known him from before. We had to get rid of Sol, so else he'll hurt the kits."

"Great StarClan!" It was Poppyfrost, who cried out with tears. She pressed her forehead against her mate's neck. "Not my babies! We need to save them!"

"It's okay, Poppyfrost," Berrynose padded her head. "We'll find them." All the cats were murmuring, looking at each other. Their eyes were wider as they were muttererimg.

"Calm down, everyone," Firestar ordered. "I need everyone to come with me. We're going to on a rescue party." He looked at Foxleap and Rosepetal. "Why don't you two show us where Sol is."

Foxleap nodded. He and the others went on a rescue party. Except Scourge and Ashfur were staying here because they were having kits. Ashleypaw and Couragepaw went on a rescue party.

Couragepaw's P.O.V.

We went on a patrol to find Cherrypaw and Molepaw. It was like

from the long time ago when I've became the strongest warrior in the forest. I've killed Hollowflight, the RiverClan warrior cat. Tigerstar taught me how to kill cats, I've becoming a killer just like my parents; Scourge and Hollyleaf. My sister Ashleypaw was refused me not to kill every cats, because it'll caused us break the warrior code. So I won't kill everyone.

I started to speak to my sister. "Hey, Ashleypaw," I meowed, stepping forward at my sister.

"Yeah?" she asked, turning her head around.

"Why don't you want to kill cats?" Couragepaw asked. "Remember? Tigerstar said I was supposed to kill a ThunderClan cat. We can kill cats what her we want."

Ashleypaw shook her head nervously. "But you need to promise me this," she begged, whispering into his ear. "Couragepaw, promise mbe not to kill everyone. Okay?"

I took a breath, I started to nodded. "Okay," I lied, I gave her a smirk.

She gave me a huge. "Thank you," she whispered, she let me go and staring into my gaze. "Never ever see Tigerstar again."

I sighed, looking away and nodding my head.

She's a traitor, isn't she? The voice growled, I turned around and see Tigerstar was standing behind me.

Of course, I thought in my mind, telling Tigerstar about my sister. I took a deep breath, I felt bad that my sister was being hurtful and being abused. *But I don't want to keep a promise, because I had to keep secret from her, so she won't find out.*

Then which one do you want to kill? Tigerstar asked me a question, pointing at my friends.

I'll figure out, I told myself, liking down at my paws. Tigerstar went dissapearing. I started to smirk.

Chapter 33: Second Kill

[image]

Couragepaw went to find Molepaw a x Cherrypaw with his sister Asleypaw and all the other cats. He started to went back to ThunderClan territory. He was supposed to kill a ThunderClan cat. Like he was promising to Tigerstar. When Ashleypaw begged him not to kill every cats, he broke the promise. Because he has to kill them. He needed to choose a cat who can kill.

He went sneaking into the bushes, he looked at the three elder cats. He started to talk to them.

"Umm... excuse me?" Couragepaw asked, giving them a kind look. "May I speak with Mousefur?"

The elder she-cat stood up, giving him a smile. "Sure, what is it?" she asked.

A

shfur came out of his den, he was too exciting as he was looking around. He was bringing something for his mate Scourge. It was a red rose that he was carrying it.

He went looking for Scourge. *I do see where Scourge went,* he thought. *He said he could stay with me.* Suddenly, he saw something.

He saw the blood was coming out of the den. His eyes are wider. He came inside and see his adoptive son was killing the old cat.

Ashfur gasped. "Couragepaw!" he panicked he saw Couragepaw was turning his head around.

"Ashfur!" He stepped away from him, stepping away from Mousefur's body and the pregnant tom-cat. "It's not what it's look like!"

Well, well, well, he heard a voice a giggling evilly. Ashfur turned around and see the huge tabby tom was smirking at him.

"Tigerstar!" Ashfur gasped.

"Ashfur," Tigerstar stepped forward as the pregnant cat was moving away from the dead cat. "Look at yourself. You've all grown up and nearly got pregnant. Hell, Scourge haven't mated you even since you had mated with him. I made you pregnant because I'm the creator. You know it's not Scourge's."

"Yes, it is, Tigerstar!" Ashfur hissed, he hit against the wall. "It's Scourge's!"

"Ashfur, you had to understand," Tigerstar smirked at him. "When I'm the leader of The Dark Forest, I feel like I'm a God that I can create cats who will be born. I've created your kits because they were my creators. It was fine if it's Scourge's. It doesn't mean I've mated you, I used my power to make you pregnant, so they were my new creators."

Ashfur's eyes are wider. "If they're not Scourge's," he muttered. "Doesn't mean you're their father?"

He scowled. "Ashfur, listen to yourself!" he snarled, facing at him. "I'm not just a father. I'm a creator because I can get you pregnant with your kits. I know that's impossible because some toms can get pregnant. When you feel pain, you can feel the pain when its coming inside if you!" He used his paw to pointed at Ashfur.

Ashfur breathed heavily, he dropped the rose as he can feel the pain was moving inside of him. He grunted in pain, holding himself. Couragepaw started to run away from his father.

Tigerstar laughed, then he was fading away.

Ashfur screamed in pain, holding himself while his blood was coming out if his core. "SCOURGE, HELP!" he yowled, rolling around.

Scourge just saw that, he was slipping through the bushes and see Ashfur was rolling around in pain. "Ashfur!" he gasped, he ran to his

mate and calling him down. "Its okay, Ashfur. You're going to be okay, I promise! I'll go get Jayfeather and stay alive!" He ran into the medicine cats' den to find the blind cat.

***

Ashfur went to the medicine cats' den to fix him up. Scourge knew this is happening. He found out that Ashfur gave birth to their kits. Jayfeather came out of his den.

"Scourge," he meowed. "Ashfur has gave birth to your new born kits. He gave birth to your son and a daughter."

Scourge's eyes were wider. "Really?" he asked excitement.

Jayfeather nodded, giving him a smile. "Of course," he replied.

Scourge saw Mousefur was laying in her den and see the bandages around her neck. He knew she's still alive. Some elder cats supposed to die. He went to see Ashfur and his two new born kits.

He looked down at his kits. "Ashfur, they're beautiful, " he murmured, he gave the little black-and-light gray she-kit a lick. "Did you nane them yet?"

Ashfur nodded his head, he looked at the little gray tom. "I named this little tom kit Bloodkit," he smiled. "I named him after our Clan."

Scourge giggled. He looked at his baby girl. "He looks just like me," he smiled. "She has the black fur around her gray fur. Let's name her Nightkit."

"They're perfect," Ashfur smiled, he gave him a soft lick on his cheek.

Scourge turned his head, he looked at the elder cat was laying on the den. *I wonder who did this to Mousefur,* he thought. *it better not be Tigerstar because he will pay for this after he did this to my daughter.*
